RE: Discontinuation of a Category of Service Exemption, Health Facilities Planning Act
Exemption # E-052-19 – Schwab Rehabilitation Hospital and Care Network
Exemption Holder: Schwab Rehabilitation Hospital and Care Network, Sinai Health System

Dear Ms. Gollinger:

On December 10, 2019 the Illinois Health Facilities and Services Review Board (State Board) approved your request for discontinuation of a category of service. The approval was based upon the application's compliance with applicable provisions of 77 ILAC 1130.500, 77 ILAC 1130.525 and 77 ILAC 1110.290. The exemption is for the discontinuation of the 21-bed long term care category of service at Schwab Rehabilitation Hospital and Care Network 1401 South California Avenue, Chicago, Illinois. The following categories of service and beds remain:

Categories of Service	Before Approval	After Approval	Change
Categories of Service	Beds	Beds	
Comprehensive Physical Rehabilitation	81	92	11
Long-term Care	21	0	-21
Total Beds	102	92	10

You are reminded that this exemption requires that for discontinuation of a category of service a notice of project completion must be submitted to the State Board no later than 90 days following the project completion date (November 30, 2019). Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to discontinuation.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

Courtney Avery
