RE: Expedited Review for Project 20-003

To Whom it May Concern:

On behalf of the owners of Burr Ridge Birth Center, LLC, which is the applicant for Project 20-003, I am writing to ask for expedited review of our application for a birth center.

The applicant has entered into an intent to lease agreement with the property owner of the building at 7000 County Line Road, Burr Ridge, as the proposed site for the birth center. The agreement is contingent on the approval of the project through the Certificate of Need process of the Health Facilities and Services Review Board. The lessor has requested of the applicant an expedited review, in order to minimize the time that the lessor holds the property off the market from other would-be lessees.

For this reason, the applicant is requesting an expedited review and a hearing for the project in February, 2020.

Sincerely,

Kathleen Lorenz
