**HEALTH FACILITIES &
SERVICES REVIEW BOARD**

January 13, 2020

Ms. Courtney Avery, Administrator
Illinois Health Facilities and Services Review Board
525 West Jefferson Street 2nd Floor
Springfield, IL 62761

Dear Ms. Avery:

Advocate Condell Medical Center has my full support regarding their Certificate of Need application to expand and modernize their Intensive Care Unit (ICU), Medical Surgical Unit, and inpatient dialysis services.

If approved, Advocate Condell will increase the size of their ICU by 25,000 square feet while modernizing an additional 40,000 square feet. Not only will this project improve and expand healthcare access to residents in the community, but it will also provide significant economic benefits to the region.

Located in the heart of Libertyville, Advocate Condell serves a large portion of my constituency, which is why I am happy to support their plans. Residents in my district rely on the hospital's services, and the planned upgrades would ensure that they continue to receive the high level of medical care they deserve.

Again, I strongly support Advocate Condell's modernization project, and request your approval on their Certificate of Need application.

Respectfully,

A handwritten signature in black ink, appearing to be "Dan McConchie", written over a horizontal line.

Senator Dan McConchie
26th District of Illinois
