Project #20-017 – Update to and Clarification of the Record

Dear Ms. Avery,

I wish to update and clarify the record on the above-referenced project as follows: (a) I am referring no patients to the involved facility; and (b) I am neutral on the application. Any and all previous communications by me or others referencing me that reflect a different intent or position are hereby retracted and withdrawn.

I do not practice in Illinois at this time, and have no connection at all to this project.

Thank you for your attention to this matter.

Sincerely,
