SECTION VIII.1120.140 - ECONOMIC FEASIBILITY

This section is applicable to all projects subject to Part 1120.

A. Reasonableness of Financing Arrangements

The applicant shall document the reasonableness of financing arrangements by submitting a notarized statement signed by an authorized representative that attests to one of the following:

1) That the total estimated project costs and related costs will be funded in total with cash and equivalents, including investment securities, unrestricted funds, received pledge receipts and funded depreciation; or

2) That the total estimated project costs and related costs will be funded in total or in part by borrowing because:

   A) A portion or all of the cash and equivalents must be retained in the balance sheet asset accounts in order to maintain a current ratio of at least 2.0 times for hospitals and 1.5 times for all other facilities; or

   B) Borrowing is less costly than the liquidation of existing investments, and the existing investments being retained may be converted to cash or used to retire debt within a 60-day period.

B. Conditions of Debt Financing

This criterion is applicable only to projects that involve debt financing. The applicant shall document that the conditions of debt financing are reasonable by submitting a notarized statement signed by an authorized representative that attests to the following, as applicable:

1) That the selected form of debt financing for the project will be at the lowest net cost available;

2) That the selected form of debt financing will not be at the lowest net cost available, but is more advantageous due to such terms as prepayment privileges, no required mortgage, access to additional indebtedness, term (years), financing costs and other factors;

3) That the project involves (in total or in part) the leasing of equipment or facilities and that the expenses incurred with leasing a facility or equipment are less costly than constructing a new facility or purchasing new equipment.

C. Reasonableness of Project and Related Costs

Read the criterion and provide the following:

1. Identify each department or area impacted by the proposed project and provide a cost and square footage allocation for new construction and/or modernization using the following format (insert after this page).

(f) **Payments**: All payments made by Tenant to Landlord hereunder shall be made by electronic payment method, as per instructions provided by Landlord.

(g) **Exhibits**: Exhibit A Legal Description of Leased Premises

Section 1.02. Lease of Premises. Subject to the terms and conditions in this Lease, Landlord hereby leases to Tenant and Tenant hereby leases from Landlord the Leased Premises for the Lease Term as further set forth herein.

ARTICLE 2 - TERM AND POSSESSION

Section 2.01. Lease Term. The Lease Term shall commence on the Effective Date (the "Commencement Date"), and shall end, unless terminated sooner in accordance with the terms of this Lease, upon expiration of the Lease Term.

Section 2.02. Condition of the Leased Premises. Landlord shall deliver possession of the Leased Premises to Tenant in its "**AS-IS, WHERE IS**" condition. Tenant has inspected the Leased Premises, including all electrical, mechanical and communications systems therein, or has had an opportunity to do so, and agrees to accept the same "**AS-IS, WHERE IS**" without any agreements, representations, understandings or obligations on the part of Landlord to perform any alterations, repairs or improvements.

Section 2.03. Surrender of the Leased Premises. Upon the expiration or earlier termination of this Lease, Tenant shall, at its sole cost and expense, immediately: (a) surrender the Leased Premises to Landlord in broom-clean condition and in good order, condition and repair; (b) remove from the Leased Premises or where located (i) Tenant's Property (as defined in Section 8.01 below), and (ii) any alterations required to be removed pursuant to Section 7.02 below; (c) repair any damage caused by any such removal; and (d) restore the Leased Premises to the condition existing upon the Commencement Date, reasonable wear and tear excepted. All of Tenant's Property that is not removed within ten (10) days following Landlord's written demand therefor shall be conclusively deemed to have been abandoned and Landlord shall be entitled to dispose of such property at Tenant's cost without incurring any liability to Tenant. This Section 2.03 shall survive the expiration or any earlier termination of this Lease.

Section 2.04. Holding Over. If Tenant retains possession of the Leased Premises after the expiration of the Lease Term or earlier termination of this Lease, Tenant shall be a tenant at sufferance at one hundred fifty (150%) of the monthly Base Rent due during the Lease Term for the Leased Premises, and otherwise upon the terms, covenants and conditions herein specified, so far as applicable. Acceptance by Landlord of Base Rent after such expiration or earlier termination shall not result in a renewal of this Lease, nor shall such acceptance create a month-to-month tenancy. In the event a month-to-month tenancy is created by operation of law, either party shall have the right to terminate such month-to-month tenancy upon thirty (30) days' prior written notice to the other, whether or not said notice is given on the rent paying date. This Section 2.04 shall in no way constitute consent by Landlord to any holding over by Tenant upon the expiration or earlier termination of this Lease, nor limit Landlord's remedies in such event.

ARTICLE 3 - RENT

Section 3.01. Base Rent. Tenant shall pay Landlord base rent for the use and occupancy of the Leased Premises during the Lease Term ("Base Rent") in the monthly amount of $11,333 per month. Rent for any partial month during the Lease Term shall be prorated based on the actual number of days in such month. Base Rent shall be payable monthly, in advance, without demand, deduction or offset, on the Commencement Date and on or before the first day of each and every calendar month thereafter during the Lease Term. Tenant shall be responsible for delivering Base Rent to the payment address set forth in Section 1.01(e) above in accordance with this Section 3.01.

Section 3.02. Payment of Additional Rent.

(a) This Lease is and shall be deemed and construed to be a triple net lease and the Base Rent specified herein shall be net to Landlord in each month during the Lease Term. Except as otherwise set forth herein, Tenant shall pay all costs, expenses and obligations of every kind whatsoever relating to the Leased Premises which may arise or become due during the Lease Term and agrees to indemnify, defend and hold harmless Landlord against any such costs, expenses and obligations. Any amount required to be paid by Tenant hereunder (in addition to Base Rent) and any charges or expenses incurred by Landlord on behalf of Tenant under the terms of this Lease shall be considered "Additional Rent" payable in the same manner and upon the same terms and conditions as Base Rent reserved hereunder, except as set forth herein to the contrary. Base Rent, Additional Rent and any other amounts which Tenant is or becomes obligated to pay Landlord under this Lease or other agreement entered in connection herewith, are sometimes referred to collectively herein as "Rent." Any failure on the part of Tenant to pay such Rent when and as the same shall become due shall entitle Landlord to the remedies available to it for non-payment of Base Rent.

(b) Tenant shall be responsible for the payment of all real estate tax or assessment or service payments in lieu thereof, and any license fee, commercial rental tax, improvement bond or other similar charge or tax (other than inheritance, personal income or estate taxes) imposed upon the Building or Real Estate during the Lease Term by any authority having the power to so charge or tax ("Real Estate Taxes"). Notwithstanding the foregoing, Landlord and Tenant agree that Tenant's obligation to pay its pro rata share of Real Estate Taxes for the Leased Premises during the Lease Term is included in the Base Rent hereunder and Landlord shall be responsible for the timely payment of all Real Estate Taxes for the Leased Premises during the Term without further reimbursement from Tenant.

Section 3.03. Late Charges. Tenant acknowledges that Landlord shall incur certain additional unanticipated administrative and legal costs and expenses if Tenant fails to pay timely any payment required hereunder. Therefore, in addition to the other remedies available to Landlord hereunder, if any payment required to be paid by Tenant to Landlord hereunder shall become overdue, such unpaid amount shall bear interest from the due date thereof to the date of payment at the prime rate of interest, as reported in the Wall Street Journal (the "Prime Rate") plus six percent (6%) per annum.

ARTICLE 4 – INTENTIONALLY OMITTED

ARTICLE 5 – OCCUPANCY AND USE

Section 5.01. Use. Tenant shall use the Leased Premises for the Permitted Use and for no other purpose without the prior written consent of Landlord.

Section 5.02. Covenants of Tenant Regarding Use. Tenant shall: (i) use and maintain the Leased Premises and conduct its business thereon in a safe, careful, reputable and lawful manner; (ii) comply with all covenants that encumber the Leased Premises and all laws, rules, regulations, orders, ordinances, directions and requirements of any governmental authority or agency, now in

force or which may hereafter be in force, including, without limitation, those which shall impose upon Landlord or Tenant any duty with respect to or triggered by a change in the use or occupation of, or any improvement or alteration to, the Leased Premises; and (iii) comply with and obey all reasonable directions, rules and regulations promulgated by Landlord from time to time, as may be modified by Landlord on reasonable notice to Tenant. Tenant shall not use the Leased Premises, nor allow the Leased Premises to be used, for any purpose or in any manner that would: (i) invalidate any policy of insurance now or hereafter carried by Landlord on the Building; or (ii) increase the rate of premiums payable on any such insurance policy unless Tenant reimburses Landlord for any increase in premium charged.

Section 5.03. Landlord's Rights Regarding Use. Without limiting any of Landlord's rights specified elsewhere in this Lease, Landlord, its agents, employees and contractors and any mortgagee of the Leased Premises shall have the right to enter any part of the Leased Premises at reasonable times upon reasonable notice (except in the event of an emergency where no notice shall be required) for the purposes of examining or inspecting the same (including, without limitation, testing to confirm Tenant's compliance with this Lease), showing the same to prospective purchasers, mortgagees or tenants, and making such repairs, alterations or improvements to the Leased Premises or the Leased Premises as Landlord may deem necessary or desirable. Landlord shall incur no liability to Tenant for such entry, nor shall such entry constitute an eviction of Tenant or a termination of this Lease, or entitle Tenant to any abatement of Rent therefor. Without limiting the foregoing, Landlord covenants and agrees that in exercising any of its rights under this Section 5.03, Landlord shall use reasonable efforts to minimize any interference with Tenant's use of the Leased Premises for the Permitted Use.

ARTICLE 6 – UTILITIES

During the Lease Term, Tenant shall obtain in its own name and pay directly to the appropriate supplier the cost of all utilities and services serving the Leased Premises. Landlord shall not be liable in damages or otherwise for any failure or interruption of any utility or other service and no such failure or interruption shall entitle Tenant to terminate this Lease or withhold sums due hereunder.

ARTICLE 7 – REPAIRS, MAINTENANCE AND ALTERATIONS

Section 7.01. Repair and Maintenance Obligations. During the Lease Term, Tenant shall make all necessary repairs, replacements and maintenance to the Leased Premises, including, without limitation, the electrical, plumbing and other mechanical systems, plate glass, floors, windows and doors, interior and exterior lighting, walls, roof, foundation, structural frame of the Building and the parking and landscaped areas located on the Real Estate, provided that during the Additional Term, Landlord shall make all necessary repairs, replacements and maintenance to the exterior walls, roof, foundation, structural frame of the Building and the parking and landscaped areas located on the Land, provided however, to the extent any such repairs, replacements or maintenance are required because of the negligence, misuse or default of Tenant, its employees, agents, contractors, customers or invitees, Landlord shall make such repairs at Tenant's sole expense.

Section 7.02. Alterations. Tenant shall not permit alterations in or to the Leased Premises unless and until Landlord has approved the plans therefor in writing, which Landlord may withhold in Landlord's sole discretion. As a condition of any approval, Landlord may, as a part of the approval process, require Tenant to remove the alterations and restore the Leased Premises upon termination or expiration of this Lease; otherwise, all such alterations shall at Landlord's option become a part of the realty and the property of Landlord, and shall not be removed by Tenant. Tenant must construct all approved alterations or cause all approved alterations to be constructed: (a) in accordance with all applicable laws, regulations and building codes; (b) in a good and workmanlike manner and of quality equal to or better than the original construction of the Building; (c) promptly by a contractor approved by Landlord in writing; and (d) in full compliance with all of Landlord's rules and regulations applicable to third party contractors, subcontractors and suppliers performing work at the Leased Premises. No person shall be entitled to any lien derived through or under Tenant for any labor or material furnished to the Leased Premises, and nothing in this Lease shall be construed to constitute Landlord's consent to the creation of any lien. Tenant will pay the cost and expense of all alterations, including, without limitation, a reasonable charge for Landlord's review, inspection and engineering time for alterations, and for any painting, restoring or repairing of the Leased Premises or the Building necessitated by the alterations. Prior to commencing the alterations, Tenant will deliver the following to Landlord in form and amount reasonably satisfactory to Landlord: (a) demolition (if applicable) and payment and performance bonds; (b) builder's "all risk" insurance in an amount at least equal to the replacement value of the alterations; and (c) evidence that Tenant and each of Tenant's contractors have in force liability insurance insuring against construction related risks in at least the form, amounts and coverages required of Tenant by Landlord in its sole discretion. The insurance policies described in clauses (b) and (c) of this section must name Landlord and Landlord's lender (if any) as additional insureds, specifically including completed operations. Landlord may inspect construction of the alterations at any time. Immediately after completing the alterations, Tenant will furnish Landlord with contractor affidavits and full and final lien waivers covering all labor and materials expended and used in connection with the alterations.

Section 7.03. Liens. Tenant will keep the Leased Premises and Real Estate free from any mechanics', materialmens', designers' or other liens arising out of any work performed, materials furnished or obligations incurred by or for Tenant or any person or entity claiming by, through or under Tenant, including but not limited to any Tenant's Work or alterations. If any such liens are filed and Tenant, within fifteen (15) days after such filing, does not release the same of record or provide Landlord with a bond or other security satisfactory to Landlord protecting Landlord and the Leased Premises and Real Estate against such liens, Landlord may, without waiving its rights and remedies based upon such breach by Tenant and without releasing Tenant from any obligation under this Lease, cause such liens to be released by any means Landlord deems proper, including, but not limited to, paying the claim giving rise to the lien or posting security to cause the discharge of the lien. In such event, Tenant will reimburse Landlord, as Additional Rent, for all amounts Landlord pays (including, without limitation, reasonable attorneys' fees and costs). To the fullest extent allowable under the Laws, Tenant releases and will indemnify, protect, defend (with counsel reasonably acceptable to Landlord) and hold harmless the Landlord and Landlord's mortgagee and the Leased Premises from and against any claims in any manner relating to or arising out of any alterations or any other work performed, materials furnished or obligations incurred by or for Tenant or any person or entity claiming by, through or under Tenant.

ARTICLE 8 – INDEMNITY AND INSURANCE

Tenant shall protect, defend, indemnify and hold Landlord, its agents, employees and contractors of all tiers harmless from and against any and all claims, damages, demands, penalties, costs, liabilities, losses, and expenses (including reasonable attorneys' fees and expenses at the trial and appellate levels) to the extent (a) arising out of or relating to any act, omission, negligence, or willful misconduct of Tenant or Tenant's agents, employees, contractors, customers or invitees in or about the Leased Premises, the Building or the Real Estate, (b) arising out of or relating to any of Tenant's Property, or (c) arising out of any other act or occurrence within the Leased Premises, in all such cases except to the extent of personal injury caused directly by the gross negligence or willful misconduct of Landlord, its agents, employees or contractors. Nothing contained in this Section 8.03 shall limit (or be deemed to limit) the waivers contained in Section 8.06 below. In the event of any conflict between the provisions of Section 8.06 below and this Section 8.03, the provisions of Section 8.06 shall prevail. This Section 8.03 shall survive the expiration or earlier termination of this Lease.

Upon Tenant's receipt of a request from Landlord, Tenant shall provide Landlord with copies of all insurance policies, including all endorsements, evidencing the coverages required hereunder. If Tenant fails to carry such insurance and furnish Landlord with such certificates of insurance or copies of insurance policies (if applicable), Landlord may obtain such insurance on Tenant's behalf and Tenant shall reimburse Landlord upon demand for the cost thereof as Additional Rent. Landlord reserves the right from time to time to require Tenant to obtain higher minimum amounts or different types of insurance if it becomes customary for other landlords of similar buildings in the area to require similar sized tenants in similar industries to carry insurance of such higher minimum amounts or of such different types.

The special form property insurance policies and worker's compensation insurance policies maintained by Landlord and Tenant as provided in this Lease shall include an endorsement containing an express waiver of any rights of subrogation by the insurance company against Landlord and Tenant, as applicable.

ARTICLE 9 – CASUALTY

Section 9.01. Landlord's Rights. Such termination shall be effective sixty (60) days after the date of the Casualty Termination Notice.

Section 9.02. Repair Obligation. If Landlord elects not to terminate this Lease following a Casualty, then Landlord, within a reasonable time after such Casualty, will proceed with reasonable diligence to repair, restore or rehabilitate the Building and/or the Leased Premises, as the case may be, to substantially the same condition as they existed immediately before such Casualty. However, Landlord will not be required to repair or replace any of the furniture, equipment, fixtures, and other leasehold improvements which may have been placed by or at the request of Tenant and required to be insured by Tenant, and Landlord's obligation to repair or restore the Building and/or the Leased Premises will be limited to the extent of the insurance proceeds actually received by Landlord for the Casualty in question. In the event that Landlord elects not to terminate the Lease and Landlord proceeds to repair the Building and/or the Leased Premises, then Tenant must apply to the replacement or restoration of the furniture, equipment, fixtures and other improvements in the Leased Premises (if replacement or restoration is necessary because of the Casualty) any proceeds of insurance that it may have received from its policy(ies) on account of the Casualty. During such repair or rebuilding of the Building and/or the Leased Premises, Rent for the portion of the Leased Premises rendered untenantable by the damage will be abated on a reasonable basis determined by Landlord from the date of damage until the completion of the repair, restoration or rehabilitation, unless the Casualty was caused by Tenant or any of Tenant's affiliates, in which event Tenant shall continue to pay Rent without abatement.

ARTICLE 10 – EMINENT DOMAIN

If all or any substantial part of the Building or Real Estate shall be acquired by the exercise of eminent domain, Landlord may terminate this Lease by giving written notice to Tenant on or before the date possession thereof is so taken. If all or any part of the Leased Premises shall be acquired by the exercise of eminent domain so that the Leased Premises shall become impractical for Tenant to use for the Permitted Use, Tenant may terminate this Lease by giving written notice to Landlord as of the date possession thereof is so taken. All damages awarded shall belong to Landlord; provided, however, that Tenant may pursue dislocation damages if such amount is not subtracted from Landlord's award.

ARTICLE 11 – ASSIGNMENT AND SUBLEASE

Tenant shall not assign this Lease or sublet the Leased Premises in whole or in part without Landlord's prior written consent. In the event of any permitted assignment or subletting, Tenant shall remain primarily liable hereunder, and any extension, expansion, rights of first offer, rights of first refusal or other options granted to Tenant under this Lease shall be rendered void and of no further force or effect. The acceptance of Rent from any other person shall not be deemed to be a waiver of any of the provisions of this Lease or to be a consent to the assignment of this Lease or the subletting of the Leased Premises. Any assignment or sublease consented to by Landlord shall not relieve Tenant (or its assignee) from obtaining Landlord's consent to any subsequent assignment or sublease. By way of example and not limitation, Landlord shall be deemed to have reasonably withheld consent to a proposed assignment or sublease if in Landlord's opinion: (i) the Leased Premises are or may be in any way adversely affected; (ii) the business reputation of the proposed assignee or subtenant is unacceptable; (iii) the financial worth of the proposed assignee or subtenant is insufficient to meet the obligations hereunder, or (iv) the prospective assignee or subtenant is a bona-fide third-party prospective tenant of Landlord. If Landlord refuses to give its consent to any proposed assignment or subletting, Landlord may, at its option, within thirty (30) days after receiving a request to consent, terminate this Lease by giving Tenant thirty (30) days' prior written notice of such termination, whereupon each party shall be released from all further obligations and liability hereunder, except those which expressly survive the termination of this Lease.

ARTICLE 12 – ESTOPPEL CERTIFICATES AND SNDA

Section 12.01. Estoppel Certificate. Within ten (10) days following receipt of a written request from Landlord, Tenant shall execute and deliver to Landlord, without cost to Landlord, an estoppel certificate in such form as Landlord may reasonably request certifying: (a) that this Lease is in full force and effect and unmodified or stating the nature of any modification; (b) the date to which Rent has been paid; (c) that there are not, to Tenant's knowledge, any uncured defaults or specifying such defaults if any are claimed; and (d) any other matters or state of facts reasonably required respecting the Lease. Such estoppel may be relied upon by Landlord and by any purchaser or mortgagee of the Leased Premises.

Section 12.02. Subordination. This Lease is and shall be expressly subject and subordinate at all times to the lien of any present or future mortgage or deed of trust encumbering fee title to

the Leased Premises. If any such mortgage or deed of trust be foreclosed, upon request of the mortgagee or beneficiary ("Landlord's Mortgagee"), as the case may be, Tenant will attorn to the purchaser at the foreclosure sale. The foregoing provisions are declared to be self-operative and no further instruments shall be required to effect such subordination and/or attornment; provided, however, that subordination of this Lease to any present or future mortgage or trust deed shall be conditioned upon the mortgagee, beneficiary, or purchaser at foreclosure, as the case may be agreeing that Tenant's occupancy of the Leased Premises and other rights under this Lease shall not be disturbed by reason of the foreclosure of such mortgage or trust deed, as the case may be, so long as Tenant is not in default under this Lease. Within ten (10) days following receipt of a written request from Landlord, Tenant shall execute and deliver to Landlord, without cost, any instrument that Landlord deems reasonably necessary or desirable to confirm the subordination of this Lease.

ARTICLE 13 – DEFAULT AND REMEDY

Section 13.01. Default. The occurrence of any of the following shall be a "Default":

(a) Tenant fails to make any payment of Rent within five (5) days after the same is due.

(b) Tenant fails to perform or observe any other term, condition, covenant or obligation required under this Lease for a period of thirty (30) days after written notice thereof from Landlord.

(c) Tenant shall vacate or abandon the Leased Premises, or fail to occupy the Leased Premises or any substantial portion thereof for a period of thirty (30) days without the express written permission of the Landlord.

(d) Tenant shall assign or sublet all or a portion of the Leased Premises in contravention of the provisions of Article 11 of this Lease.

(e) All or substantially all of Tenant's assets in the Leased Premises or Tenant's interest in this Lease are attached or levied under execution (and Tenant does not discharge the same within sixty (60) days thereafter); a petition in bankruptcy, insolvency or for reorganization or arrangement is filed by or against Tenant (and Tenant fails to secure a stay or discharge thereof within sixty (60) days thereafter); Tenant is insolvent and unable to pay its debts as they become due; Tenant makes a general assignment for the benefit of creditors; Tenant takes the benefit of any insolvency action or law; the appointment of a receiver or trustee in bankruptcy for Tenant or its assets if such receivership has not been vacated or set aside within thirty (30) days thereafter; or, dissolution or other termination of Tenant's corporate charter if Tenant is a corporation.

In addition to the defaults described above, the parties agree that if Tenant receives written notice of a violation of the performance of any (but not necessarily the same) term or condition of this Lease three (3) or more times during any twelve (12) month period, regardless of whether such violations are ultimately cured, then such conduct shall, at Landlord's option, represent a separate Default.

Section 13.02. Remedies. Upon the occurrence of any Default, Landlord shall have the following rights and remedies, in addition to those stated elsewhere in this Lease and those allowed by law or in equity, any one or more of which may be exercised without further notice to Tenant:

(a) Landlord may enter the Leased Premises and cure any Default of Tenant, and Tenant shall reimburse Landlord as Additional Rent for any costs and expenses that Landlord thereby incurs; and Landlord shall not be liable to Tenant for any loss or damage that Tenant may sustain by reason of Landlord's action.

(b) Landlord may terminate this Lease by giving Tenant notice of termination, in which event this Lease shall expire and terminate on the date specified in such notice of termination and all rights of Tenant under this Lease and in and to the Leased Premises shall terminate. Tenant shall remain liable for all obligations under this Lease arising up to the date of such termination, and Tenant shall surrender the Leased Premises to Landlord on the date specified in such notice. Furthermore, Tenant shall be liable to Landlord for the unamortized balance of any leasehold improvement allowance and brokerage fees paid in connection with the Lease.

(c) Without terminating this Lease, Landlord may terminate Tenant's right to possession of the Leased Premises, and thereafter, neither Tenant nor any person claiming under or through Tenant shall be entitled to possession of the Leased Premises. In such event, Tenant shall immediately surrender the Leased Premises to Landlord, and Landlord may re-enter the Leased Premises and dispossess Tenant and any other occupants of the Leased Premises by any lawful means and may remove their effects, without prejudice to any other remedy that Landlord may have. Upon termination of possession, Landlord may re-let all or any part thereof as the agent of Tenant for a term different from that which would otherwise have constituted the balance of the Lease Term and for rent and on terms and conditions different from those contained herein, whereupon Tenant shall be immediately obligated to pay to Landlord an amount equal to: (i) the difference between the rent provided for herein and that provided for in any lease covering a subsequent re-letting of the Leased Premises, for the period which would otherwise have constituted the balance of the Lease Term had this Lease not been terminated (said period being referred to herein as the "Remaining Term"); (ii) the costs of recovering possession of the Leased Premises and all other expenses, loss or damage incurred by Landlord by reason of Tenant's Default ("Default Damages"), which shall include, without limitation, expenses of preparing the Leased Premises for re-letting, demolition, repairs, tenant finish improvements, brokers' commissions and attorneys' fees; and (iii) all unpaid Base Rent and Additional Rent that accrued prior to the date of termination of possession, plus any interest and late fees due hereunder (the "Prior Obligations"). Neither the filing of any dispossessory proceeding nor an eviction of personalty in the Leased Premises shall be deemed to terminate the Lease.

(d) Landlord may terminate this Lease and recover from Tenant all damages Landlord may incur by reason of Tenant's default, including, without limitation, an amount which, at the date of such termination is equal to the sum of the following: (i) the value of the excess, if any, discounted at the prime rate of interest (as reported in the *Wall Street Journal*), of: (A) the Base Rent, Additional Rent and all other sums that would have been payable hereunder by Tenant for the Remaining Term; less (B) the aggregate reasonable rental value of the Leased Premises for the Remaining Term, as determined by a real estate broker licensed in the State of Illinois who has at

least ten (10) years of experience; (ii) all of Landlord's Default Damages; and (iii) all Prior Obligations. Landlord and Tenant acknowledge and agree that the payment of the amount set forth in clause (i) above shall not be deemed a penalty, but shall merely constitute payment of liquidated damages, it being understood that actual damages to Landlord are extremely difficult, if not impossible, to ascertain. It is expressly agreed and understood that all of Tenant's liabilities and obligations set forth in this subsection (d) shall survive termination.

(e) With or without terminating this Lease, declare immediately due and payable the sum of the following: (i) the present value (discounted at the prime rate of interest, as reported in the *Wall Street Journal*) of all Base Rent and Additional Rent due and coming due under this Lease for the entire Remaining Term (as if by the terms of this Lease they were payable in advance); (ii) all Default Damages; and (iii) all Prior Obligations, whereupon Tenant shall be obligated to pay the same to Landlord; provided, however, that such payment shall not be deemed a penalty or liquidated damages, but shall merely constitute payment in advance of all Base Rent and Additional Rent payable hereunder throughout the Remaining Term, and provided further, however, that upon Landlord receiving such payment, Tenant shall be entitled to receive from Landlord all rents received by Landlord from other assignees, tenant and subtenants on account of said Leased Premises during the Remaining Term (but only to the extent that the monies to which Tenant shall so become entitled do not exceed the entire amount actually paid by Tenant to Landlord pursuant to this subsection I), less all Default Damages of Landlord incurred but not yet reimbursed by Tenant.

(f) Landlord may sue for injunctive relief or to recover damages for any loss resulting from the Default.

Section 13.04. Limitation of Landlord's Liability. If Landlord shall fail to perform any term, condition, covenant or obligation required to be performed by it under this Lease and if Tenant shall, as a consequence thereof, recover a money judgment against Landlord, Tenant agrees that it shall look solely to Landlord's right, title and interest in and to the Leased Premises for the collection of such judgment; and Tenant further agrees that no other assets of Landlord shall be subject to levy, execution or other process for the satisfaction of Tenant's judgment.

Section 13.05. Nonwaiver of Defaults. Neither party's failure nor delay in exercising any of its rights or remedies or other provisions of this Lease shall constitute a waiver thereof or affect its right thereafter to exercise or enforce such right or remedy or other provision. No waiver of any default shall be deemed to be a waiver of any other default. Landlord's receipt of less than the full Rent due shall not be construed to be other than a payment on account of Rent then due, nor shall any statement on Tenant's check or any letter accompanying Tenant's check be deemed an accord and satisfaction. No act or omission by Landlord or its employees or agents during the Lease Term shall be deemed an acceptance of a surrender of the Leased Premises, and no agreement to accept such a surrender shall be valid unless in writing and signed by Landlord.

Section 13.06. Attorneys' Fees. If either party defaults in the performance or observance of any of the terms, conditions, covenants or obligations contained in this Lease and the non-defaulting party obtains a judgment against the defaulting party, then the defaulting party agrees to reimburse the non-defaulting party for reasonable attorneys' fees incurred in connection

therewith. In addition, if a monetary Default shall occur and Landlord engages outside counsel to exercise its remedies hereunder, and then Tenant cures such monetary Default, Tenant shall pay to Landlord, on demand, all expenses incurred by Landlord as a result thereof, including reasonable attorneys' fees, court costs and expenses actually incurred.

ARTICLE 14 – TENANT'S RESPONSIBILITY REGARDING ENVIRONMENTAL LAWS AND HAZARDOUS SUBSTANCES

Section 14.01. Environmental Definitions.

(a) "Environmental Laws" shall mean all present or future federal, state and municipal laws, ordinances, rules and regulations applicable to the environmental and ecological condition of the Leased Premises, and the rules and regulations of the Federal Environmental Protection Agency and any other federal, state or municipal agency or governmental board or entity having jurisdiction over the Leased Premises.

(b) "Hazardous Substances" shall mean those substances included within the definitions of "hazardous substances," "hazardous materials," "toxic substances" "solid waste" or "infectious waste" under Environmental Laws and petroleum products.

Section 14.02. Restrictions on Tenant. Tenant shall not cause or permit the use, generation, release, manufacture, refining, production, processing, storage or disposal of any Hazardous Substances on, under or about the Leased Premises, or the transportation to or from the Leased Premises of any Hazardous Substances, except as necessary and appropriate for its Permitted Use in which case the use, storage or disposal of such Hazardous Substances shall be performed in compliance with the Environmental Laws and the highest standards prevailing in the industry.

Section 14.03. Notices, Affidavits, Etc. Tenant shall immediately (a) notify Landlord of (i) any violation by Tenant, its employees, agents, representatives, customers, invitees or contractors of any Environmental Laws on, under or about the Leased Premises, or (ii) the presence or suspected presence of any Hazardous Substances on, under or about the Leased Premises, and (b) deliver to Landlord any notice received by Tenant relating to (a)(i) and (a)(ii) above from any source. Tenant shall execute affidavits, representations and the like within five (5) days of Landlord's request therefor concerning Tenant's best knowledge and belief regarding the presence of any Hazardous Substances on, under or about the Leased Premises.

Section 14.04. Tenant's Indemnification. Tenant shall indemnify Landlord and Landlord's managing agent from any and all claims, losses, liabilities, costs, expenses and damages, including attorneys' fees, costs of testing and remediation costs, incurred by Landlord in connection with any breach by Tenant of its obligations under this Article 14. The covenants and obligations under this Article 14 shall survive the expiration or earlier termination of this Lease.

Section 15.04. Examination of Lease. Submission of this instrument by Landlord to Tenant for examination or signature does not constitute an offer by Landlord to lease the Leased Premises. This Lease shall become effective, if at all, only upon the execution by and delivery to both Landlord and Tenant. Execution and delivery of this Lease by Tenant to Landlord constitutes an offer to lease the Leased Premises on the terms contained herein.

Section 15.05. Indemnification for Leasing Commissions. If any provision of this Lease shall be held to be invalid, void or unenforceable, the remaining provisions shall remain in full force and effect. This Lease represents the entire agreement between Landlord and Tenant covering everything agreed upon or understood in this transaction. There are no oral promises, conditions, representations, understandings, interpretations or terms of any kind as conditions or inducements to the execution hereof or in effect between the parties. No change or addition shall be made to this Lease except by a written agreement executed by Landlord and Tenant.

Section III, Project Purpose, Background and Alternatives – Information Requirements
Criterion 1110.110(b), Project Purpose, Background and Alternatives

Purpose of the Project

1. The purpose of this project is to ensure patients residing in Bronzeville and communities on the South Side of Chicago maintain access to surgical services. On January 23, 2020, Mercy Hospital & Medical Center along with Advocate Trinity Hospital, South Shore Hospital and St. Bernard Hospital announced plans to create a new health care delivery system to expand access to primary and preventative care services on the South Side of Chicago. The new health care system will address these needs by constructing community health centers and "building at least one new, state-of-the-art, destination hospital, thereby replacing outmoded, aging facilities." See Attachment - 12A. As set forth in Lawrence Iteld, M.D.'s support letter the potential closing of Mercy Hospital and Medical Center will create significant need for qualified operating rooms in the local area. South Loop Surgery Center is well situated to address that need. See Attachment – 12B.

   Importantly, the South Loop Surgery Center geographic service area ("GSA") is an economically disadvantaged community with significant populations of two ethnic groups: African-American (30%) and Hispanic (33%). Due to a large immigrant population, cultural barriers to access health care are high, and the potential closure of Mercy Hospital and Medical Center will only exacerbate those barriers. Further, the South Loop Surgery Center GSA is an area with many low-income residents. Twenty percent of the population lives below the Federal Poverty Level (compared to 12% Statewide). Due to barriers faced by members of this community, the Health Resources & Services Administration ("HRSA") has designated this area a primary care Health Professional Shortage Area, a Medically Underserved Area, and a Medically Underserved Population. See Attachment – 12C. Further, as noted in the support letter from 21st Ward Alderman Howard B. Brookings, Jr., the potential closure of Mercy Hospital & Medical Center will affect residents on the South Side of Chicago, as "[t]here is no other facility in the is immediately available to these neighborhoods . . . the need for a facility or facilities that offer accredited operating rooms is essential in maintaining appropriate surgical healthcare access." See Attachment -12D.

   Currently, there are 29 acute care hospitals and 13 ambulatory surgical treatment centers within South Loop Surgery Center's GSA. Utilizing hospitals for procedures that can be safely performed in an outpatient surgery center is not an efficient use of scarce health care resources. A 2013 article in the New York Times noted the escalation in health care costs is largely attributed to high prices charged by hospitals.[1] This article highlighted that hospitals are the most powerful players in a health care system that has little or no price regulation in the private market. Prices set by hospitals are discretionary and not connected to underlying costs or market prices. Further, according to the March 2020 MedPac Report to Congress, Medicare payment rates for most ambulatory surgical procedures performed in

hospital outpatient departments (HOPDs) are much higher than in surgery centers. For 2020, Medicare rates are 98% higher in HOPDs than surgery centers.[2]

While there are 13 licensed ambulatory surgical treatment centers within South Loop Surgery Center's GSA, the only surgery center that provides the same surgical services as proposed at South Loop Surgery Center does not serve Medicaid patients or provide charity care.[3] Accordingly, it is not an option for low-income patients residing in Bronzeville and other communities on the South Side of Chicago.

The proposed South Loop Surgery Center will ensure continued access to needed surgical services to the most vulnerable patients on the South Side of Chicago.

2. South Loop Surgery Center will serve patients residing in Bronzeville and other communities on the South Side of Chicago. A map of the market area of South Loop Surgery Center is attached at Attachment – 12E. Travel times from SLSC to the geographic service area ("GSA") borders are as follows:

   - East: Approximate 10 mile radius to Lake Michigan
   - Southeast: Approximate 10 mile radius to Lake Michigan
   - South: Approximate 10 mile radius to Evergreen Park
   - Southwest: Approximate 10 mile radius time to Bridgeview
   - West: Approximate 10 mile radius to North Riverside
   - Northwest: Approximate 10 mile radius to Hardwood Heights
   - North: Approximate 10 mile radius to Lake Michigan
   - Northeast: Approximate 10 mile radius to Lake Michigan

3. This project will ensure patients residing in Bronzeville and communities on the South Side of Chicago maintain access to surgical services. The potential closing of Mercy Hospital and Medical Center will create significant need for qualified operating rooms in the local area. While there are 28 acute care hospitals and 14 ambulatory surgical treatment centers within South Loop Surgery Center's GSA, there are no viable options to the economically disadvantaged residents in Bronzeville and other communities on the South Side of Chicago. Utilizing hospitals for procedures that can be safely performed in an outpatient surgery center is not an efficient use of scarce health care resources. A 2013 article in the New York Times noted the escalation in health care costs is largely attributed to high prices charged by hospitals.[4] This article highlighted that hospitals are the most powerful players in a health care system that has little or no price regulation in the private market. Title
Four South Chicago hospitals to pursue transformative solutions to address health equity on Chicago's South Side

Group launches community input sessions to inform plan to modernize and transform care delivery in region

Chicago, IL – Four South Chicago hospitals – Advocate Trinity Hospital, Mercy Hospital & Medical Center (a member of Trinity Health), South Shore Hospital and St. Bernard Hospital – announced today that they have signed a nonbinding agreement to offer bold solutions that create a new health care delivery system. The system will expand access to preventive care and quality services, reduce drastic health inequities and provide economic development, jobs and training programs in the region.

The providers are calling on neighborhood leaders and area residents to participate in a series of community input sessions to help shape robust solutions tailored specifically to the local community's needs.

Despite state effort and local community investment, health inequities persist in this region. Significantly lower life expectancy, higher incidences of chronic disease and other disparities are aggravated by social determinants of health including food insecurity, housing and trauma. The four providers said addressing these inequities was a key driver for the need to develop a progressive, patient-centered approach and transformative model.

"Significant challenges require all stakeholders to be at the table and be part of the solution," said Carol Schneider, president, Mercy Hospital & Medical Center, a member of Trinity Health. "We have a unique opportunity to come together around a common vision to serve patients in a better way that strengthens our communities."

"Working individually, our hospitals will not be able to provide sustained, quality care on the South Side," said Charles Holland, president and chief executive officer of St. Bernard Hospital. "We have to aggressively address the need for better health care among tens of thousands of Chicagoans. By forging a system that can better respond to and manage the chronic illnesses that are so pervasive in our communities, we can truly achieve greater health equity and narrow significant disparities in access to quality care and the resulting outcomes."

The goal of the new system is to combine the four hospitals into an independent, integrated health care system that will transform care delivery for area residents through a multi-year investment plan. After analyzing community health needs assessments and service area and demographic data, the four providers arrived at two primary needs—expand access to quality primary and preventive care services by constructing vibrant community health centers, and build at least one new, state-of-the-art, destination hospital, thereby replacing outmoded, aging facilities. The estimated capital investment to achieve these goals is $1.1 billion.

Community input will help shape future hospital services, and the expansion of urgent care, ambulatory surgery, infusion therapy and behavioral health services at new community health centers, as well as specialty care, imaging and diagnostic services. Stakeholder outreach has already begun, and community input sessions will begin in February.

The group is committed to ensuring new facilities open before any existing facilities close, a net increase in jobs in the region, and re-deployment and re-training programs that are reflective of the growing health care jobs of the future. They will seek significant private philanthropic involvement to support the new system and help achieve health equity for these affected communities.

Attachment - 2A

"This is the right thing to do for those we serve," said Rashard Johnson, president of Advocate Trinity Hospital. "We have a moral obligation to address health equity and that requires a transformational approach to how, when and where we deliver care."

Under the agreement, each provider will contribute or transfer existing hospital assets to and help capitalize the new system. The new system will have independent leadership and an independent board of directors, which will include a delegate from each of the providers. A CEO and leadership team will be named following the signing of a definitive agreement, expected by midyear.

"We look forward to input from our patients and communities," said Tim Caveney, president and chief executive officer of South Shore Hospital. "Empowering our neighborhoods, improving access to care and making critical economic investments is what's right for the South Side of Chicago and what's necessary for our long-term health and wellness."

Dear Ms. Savage,

My name is Lawrence Iteld. I am writing this letter of support for the South Loop Surgery Center being submitted by Chicago Cosmetic Surgery Institute, LLC and David Shifrin, MD. I have known Dr. Shifrin for over 10 years as we are colleagues in Chicago in a small subspecialty of medicine. Dr. Shifrin is a sound surgeon who has built a well-respected practice over years of dedication to excellence in patient care. As a person, he is ethical, honest, transparent and caring. He is one of a few surgeons I would allow to operate on me or my family members.

I served as the chairman of plastic surgery at Mercy Hospital and Medical Center for the last 11 years or so. During that time, I have had the opportunity to care for the patients of Bronzeville, the South Loop, Chinatown and all the neighborhoods surrounding moving south. There is no other facility in the area that is immediately available to these neighborhoods. With the recent announcement of the planned closing of Mercy in the future and merger with three other struggling hospitals I believe that the need for qualified operating rooms in the local area is significant. While it is not of an emergent nature it is urgent and will become so if planning is not undertaken in advance. Dr Shifrin's facility is well situated to serve all of these areas and has my full support. I would be happy to answer any questions that may arise.

Thank You,

Lawrence Iteld MD

Springfield, Illinois 62761

Dear Ms. Savage,

As Alderman of the 21st Ward, where my constituency resides on the south side of Chicago, I write this letter of support for South Loop Surgery Center being submitted by Chicago Cosmetic Surgery Institute LLC and David Shifrin MD. I have known Dr. Shifrin and his family for the past 5 years. His father is a businessman in my ward and has demonstrated a desire to help the less fortunate. Likewise, Dr. Shifrin's surgery practice is diverse and cares for a large population of African American and Hispanic patients. His office is located close to the 21st Ward which is also mostly populated by the same mix of people. We need surgeons in Chicago who are accessible to the near and far south side and loop.

Mercy hospital and medical center is the largest facility serving this geographic population and it is scheduled to be closed. There is no other facility in the area that is immediately available to these neighborhoods and constituents. With the recent announcement of the planned closing of Mercy, I believe that the need for a facility or facilities that offer accredited operating rooms is essential in maintaining appropriate surgical healthcare access.

Dr. Shifrin's facility is well situated to serve all of these areas and has my full support. I am confident that the South Loop Surgery Center will be a viable option for our community's needs. I would be happy to answer any questions that may arise.

If you have any questions or need additional information, please feel free to contact my office at (773) 881-9300.

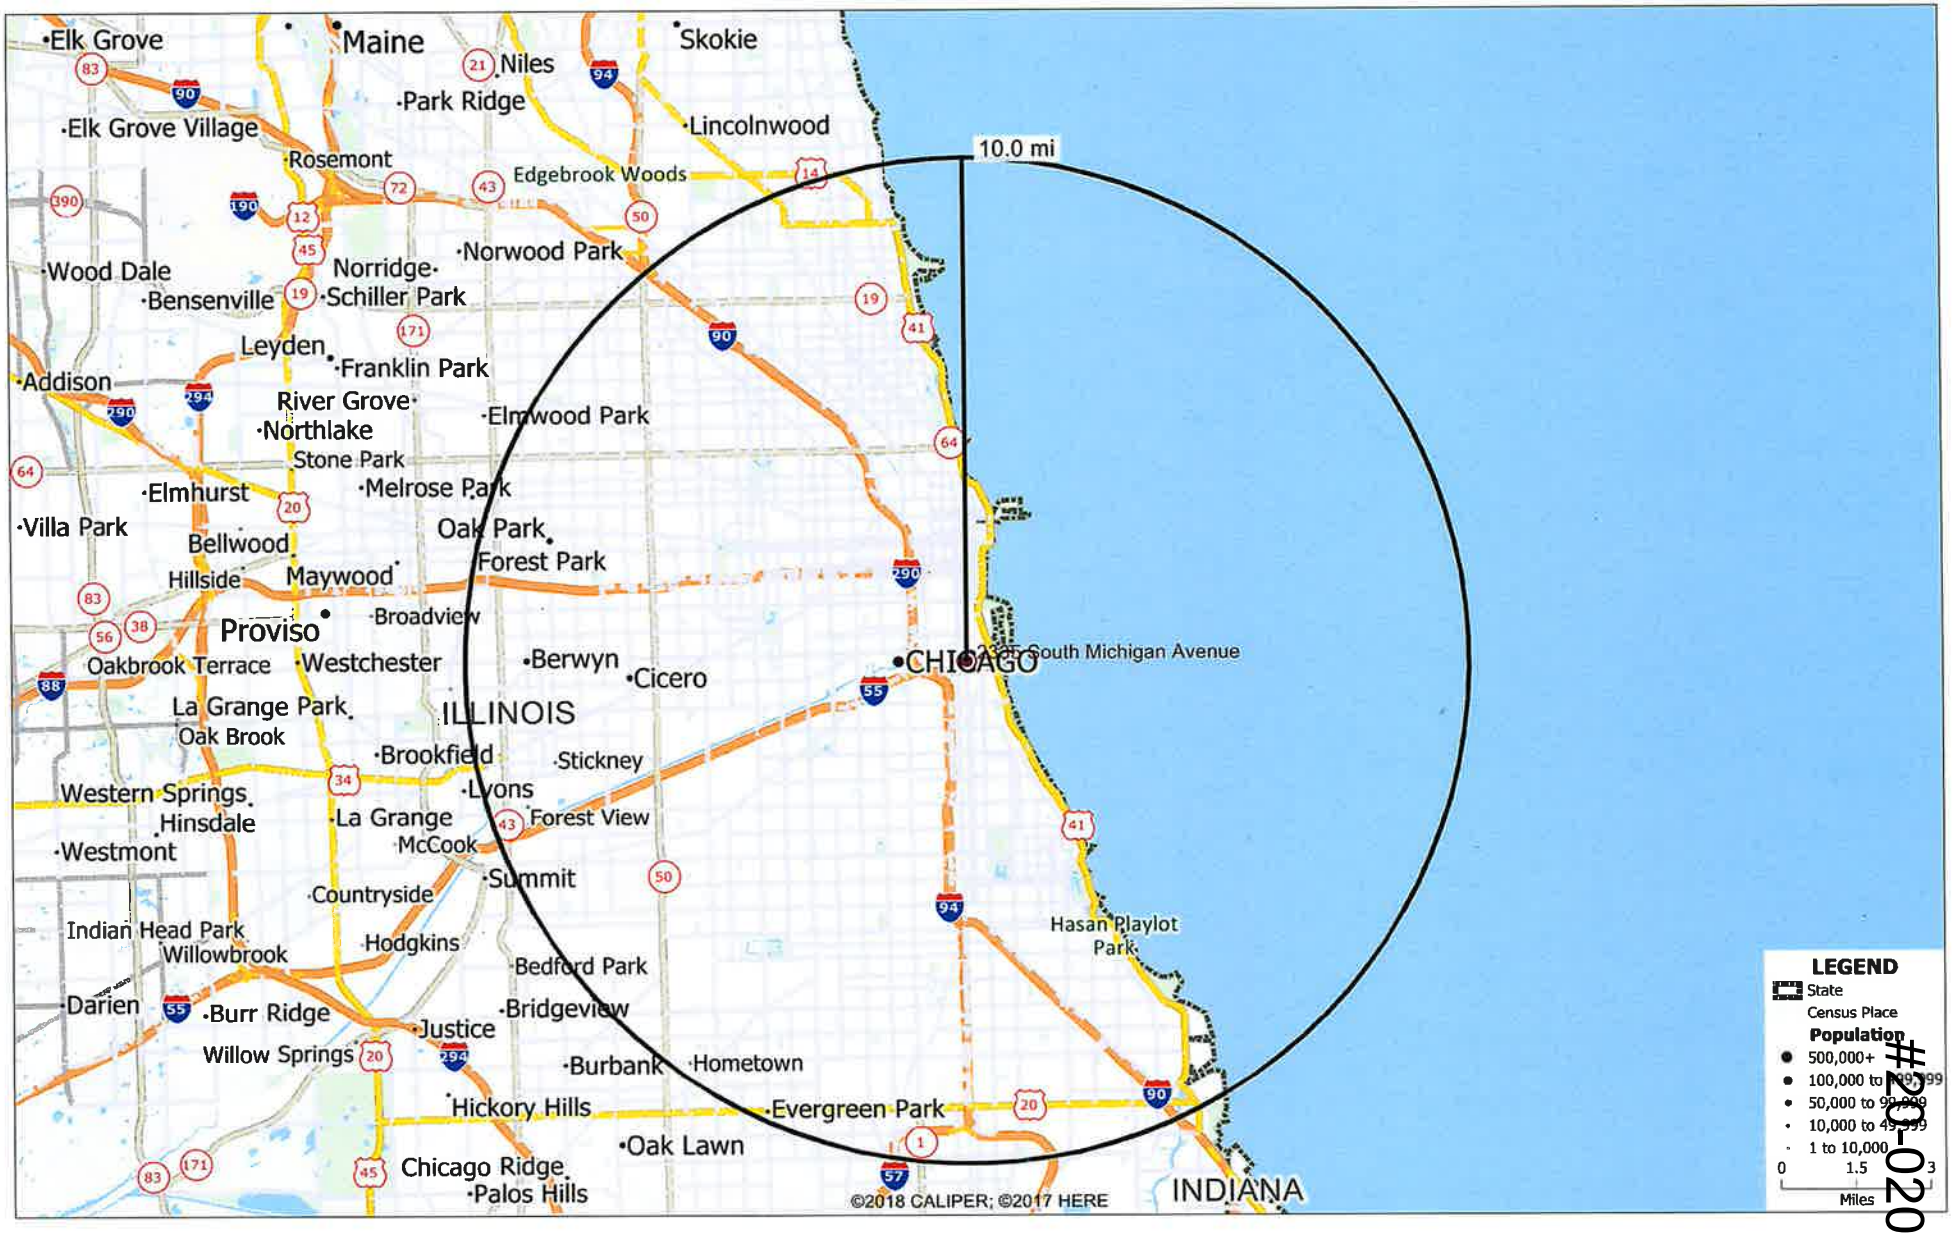

Sincerely,

Howard B. Brookins, Jr.

Section III, Project Purpose, Background and Alternatives – Information Requirements
Criterion 1110.110(d), Project Purpose, Background and Alternatives

Alternatives

The Applicant explored several options prior to determining to establish South Loop Surgery Center. The options considered are as follows:

a. Do nothing;

b. Utilize existing facilities;

c. Establish South Loop Surgery Center.

After exploring these options, which are discussed in more detail below, the Applicant decided to establish South Loop Surgery Center. A review of each of the options considered and the reasons they were rejected follows.

Do Nothing

The first alternative considered was to maintain the status quo. On January 23, 2020, Mercy Hospital & Medical Center along with Advocate Trinity Hospital, South Shore Hospital and St. Bernard Hospital announced plans to create a new health care delivery system to expand access to primary and preventative care services on the South Side of Chicago. The new health care system will address these needs by constructing community health centers and "building at least one new, state-of-the-art, destination hospital, thereby replacing outmoded, aging facilities." The potential closing of Mercy Hospital and Medical Center will create significant need for qualified operating rooms in the local area. As noted in the support letter from 21st Ward Alderman Howard B. Brookings, Jr., the potential closure of Mercy Hospital & Medical Center will affect residents on the South Side of Chicago, as "[t]here is no other facility in the is immediately available to these neighborhoods . . . the need for a facility or facilities that offer accredited operating rooms is essential in maintaining appropriate surgical healthcare access." Accordingly, the option to do nothing was rejected.

There is no cost to this option.

Utilize Other Health Care Facilities

Another alternative the Applicants considered was utilizing existing health care facilities to provide an option for outpatient surgery in the South Loop Surgery Center GSA. As previously discussed, the South Loop Surgery Center GSA is an economically disadvantaged community with significant populations of two ethnic groups: African-American (30%) and Hispanic (33%). Due to a large immigrant population, cultural barriers to access health care are high. The potential closure of Mercy Hospital and Medical Center will exacerbate those barriers. Further, South Loop Surgery Center GSA is an area with many low-income

residents. Twenty percent of the population lives below the Federal Poverty Level (compared to 12% Statewide). Due to barriers faced by members of this community, the HRSA has designated this area a primary care Health Professional Shortage Area, a Medically Underserved Area, and a Medically Underserved Population.

Currently, there are 29 acute care hospitals and 13 ambulatory surgical treatment centers within South Loop Surgery Center's GSA. Utilizing hospitals for procedures that can be safely performed in an outpatient surgery center is not an efficient use of scarce health care resources. A 2013 article in the New York Times noted the escalation in health care costs is largely attributed to high prices charged by hospitals.[7] This article highlighted that hospitals are the most powerful players in a health care system that has little or no price regulation in the private market. Prices set by hospitals are discretionary and not connected to underlying costs or market prices. Further, according to the March 2020 MedPac Report to Congress, Medicare payment rates for most ambulatory surgical procedures performed in HOPDs are much higher than in surgery centers. For 2020, Medicare rates are 98% higher in HOPDs than surgery centers.[8]

While there are 13 licensed ambulatory surgical treatment centers within South Loop Surgery Center's GSA, the only surgery center that provides the same surgical services as proposed at South Loop Surgery Center does not serve Medicaid patients or provide charity care.[9]

There is no viable outpatient surgery option for low-income patients residing in Bronzeville and other communities on the South Side of Chicago. Accordingly, this option was rejected.

There was no cost to this option.

Establish South Loop Surgery Center

With the potential closing of Mercy Hospital & Medical Center, patients in Bronzeville and other communities on the South Side of Chicago will lack access to outpatient surgical services. The establishment of South Loop Surgery Center will ensure patients maintain access to low-cost, high quality outpatient surgical services. After weighing this option against others, it was determined that this alternative would provide the greatest benefit in terms of increased access to health care services for residents in Bronzeville and other communities on the South Side of Chicago.

The cost of this alternative is $1,085,536.

Section IV, Project Scope, Utilization, and Unfinished/Shell Space
Criterion 1110.120 - Project Scope, Utilization, and Unfinished/Shell Space

There is no construction associated with this project. Thus, this criterion is not applicable.

The proposed project will offer Plastic Surgery, OB/Gyn, Ophthalmology, Orthopedics, Podiatry, Pain Management, Dermatology, Neurosurgery and General Surgery. The ASTC consists of two procedure rooms and four recovery stations.

Section IV, Project Scope, Utilization, and Unfinished/Shell Space
Criterion 1110.120 – Size of the Project

The Applicants propose to establish and ambulatory surgical treatment center a two operating rooms and four recovery stations. Pursuant to Section 1110, Appendix B of the State Board's rules, the State standard is 2,750 gross square feet per operating room for a total of 5,500 gross square feet for 2 operating rooms. The total gross square footage of the clinical space of South Loop Surgery Center is 4,000 of gross square feet (or 2,000 GSF per operating room). Accordingly, South Loop Surgery Center meets the State standard per operating room.

Section IV, Project Scope, Utilization, and Unfinished/Shell Space
Criterion 1110.120 - Project Services Utilization

By the second year after project completion, South Loop Surgery Center's annual utilization shall meet or exceed the State Board's utilization standards. Pursuant to Section 1110, Appendix B of the State Board's rules, utilization for ASTCs is based upon 1,500 hours per operating/procedure room. Based upon historical utilization and projected procedures documented in physician referral letters attached at Appendix – 1, approximately 817 procedures will be performed at SLSC within two years after project completion. Based upon the current experience of the referring physicians, the estimated surgical hours, including prep and cleanup, in the first year after project completion are as follows:

a. Attached at Attachment – 24A is a map outlining the intended geographic service area ("GSA") for South Loop Surgery Center. As set forth in Criterion 1110.230, the surgery center will serve patients residing in Bronzeville and other communities on the South Side of Chicago. Accordingly, the intended primary GSA consists of those areas within a 10 mile radius from South Loop Surgery Center.

b. Pursuant to Section 1100.510(d) of the State Board's rules, the normal drive time should be based upon the location of the applicant facility. South Loop Surgery Center is located in Cook County therefore the intended GSA is the radius of 10 miles from the proposed ASTC. South Loop Surgery Center serves Bronzeville and other communities on the South Side of Chicago within a 10 mile radius of the surgery center. A list of all zip codes located, in whole or in part, within a 10 mile radius of South Loop Surgery Center as well as the 2018 U.S. Census estimates figures for each zip code is provided in Table 1110.1540(b).

Pursuant to Section 1100.640(c) of the State Board's rules, ASTCs should operate 1,500 hours per room per year (including set up and clean up). South Loop Surgery Center will have two operating rooms with capacity for 3,000 surgical hours. As shown in Table 1110.235(c)(5) below, the Applicant projects 817 surgical cases (or 1,952.7 surgical hours) will be referred to South Loop Surgery Center in the first year after project completion.

Average time (including set up and cleanup time) is based on the 2018 average case time in HSA 6.

V, Service Specific Review Criteria
Non-Hospital Based Ambulatory Surgery
Criterion 1110.235(c)(6), Service Accessibility

The purpose of this project is to ensure patients residing in Bronzeville and communities on the South Side of Chicago maintain access to surgical services. Currently, there are 29 acute care hospitals and 13 ambulatory surgical treatment centers within South Loop Surgery Center's GSA. Utilizing hospitals for procedures that can be safely performed in an outpatient surgery center is not an efficient use of scarce health care resources. A 2013 article in the New York Times noted the escalation in health care costs is largely attributed to high prices charged by hospitals.[10] This article highlighted that hospitals are the most powerful players in a health care system that has little or no price regulation in the private market. Prices set by hospitals are discretionary and not connected to underlying costs or market prices. Further, according to the March 2020 MedPac Report to Congress, Medicare payment rates for most ambulatory surgical procedures performed in HOPDs are much higher than in surgery centers. For 2020, Medicare rates are 98% higher in HOPDs than surgery centers.[11]

While there are 13 licensed ambulatory surgical treatment centers within South Loop Surgery Center's GSA, the only surgery center that provides the same surgical services as proposed at South Loop Surgery Center does not serve Medicaid patients or provide charity care.[12] South Loop Surgery Center will provide a low-cost, high quality option for outpatient surgical services to patients residing in Bronzeville and other communities on the South Side of Chicago.

2. Maldistribution of Services

South Loop Surgery Center will not result in a maldistribution of services. A maldistribution exists when an identified area has an excess supply of surgical/treatment rooms characterized by such factors as, but not limited to: (1) ratio of surgical/treatment rooms to population exceeds one and one-half times the State Average; (2) historical utilization of existing surgical/treatment rooms is below the State Board's utilization standard; or (3) insufficient population to provide the volume or caseload necessary to utilize the services proposed by the project at or above utilization standards.

a. Ratio of operating rooms to population.

As shown in Table 110.235(c)(7)(B)(i), the ratio of operating/procedure rooms is 102% of the State Average.

b. Historical Utilization of Existing Health Care Facilities

Currently, there are 29 acute care hospitals and 13 ambulatory surgical treatment centers within South Loop Surgery Center's GSA. Utilizing hospitals for procedures that can be safely performed in an outpatient surgery center is not an efficient use of scarce health care resources. A 2013 article in the New York Times noted the escalation in health care costs is largely attributed to high prices charged by

hospitals.[13] This article highlighted that hospitals are the most powerful players in a health care system that has little or no price regulation in the private market. Prices set by hospitals are discretionary and not connected to underlying costs or market prices. Further, according to the March 2020 MedPac Report to Congress, Medicare payment rates for most ambulatory surgical procedures performed in HOPDs are much higher than in surgery centers. For 2020, Medicare rates are 98% higher in HOPDs than surgery centers.[14]

While there are 13 licensed ambulatory surgical treatment centers within South Loop Surgery Center's GSA, the only surgery center that provides the same surgical services as proposed at South Loop Surgery Center does not serve Medicaid patients or provide charity care.[15] South Loop Surgery Center will provide a low-cost, high quality option for outpatient surgical services to patients residing in Bronzeville and other communities on the South Side of Chicago.

c. Sufficient Population to Provide the Necessary Volume or Caseload

The Applicant proposes to establish an ambulatory surgical treatment center with two operating rooms. To justify the two operating rooms, the Applicants would need over 1,500 surgical hours. As shown in Table 1110.235(c)(7)(B)(iii), the Applicant projects 1,952.7 surgical hours during the first year after project completion. Accordingly, there is sufficient population to provide the volume necessary to utilize the operating rooms proposed by the project.

3. Impact on Other Health Care Facilities

a. South Loop Surgery Center will not have an adverse impact on existing health care facilities in the GSA. Most of the surgical procedures to be performed at the surgery center are primarily performed in an office-based setting.

b. South Loop Surgery Center will not lower the utilization of other area providers that are operating below the occupancy standards.

LEASE

THIS LEASE is effective as of this 1st day of July, 2018 (the "Effective Date"), by and between RES Investments LLC, an Illinois limited liability company ("Landlord"), and Chicago Cosmetic Surgery Institute LLC, an Illinois limited liability company ("Tenant").

ARTICLE 1 - LEASE OF PREMISES

Section 1.01. Basic Lease Provisions and Definitions.

(a) **Leased Premises**: The real estate premises described on **Exhibit A** attached hereto (the "Real Estate"), constituting a portion of the buildings and improvements (the "Building") commonly known as 2335 S. Michigan Avenue, Chicago, Illinois 60616 (collectively, the "Leased Premises")

(b) **Commencement Date**: The Effective Date.

(c) **Lease Term**: The period beginning on July 1, 2018 and ending on December 31, 2030 (the "Lease Term").

(d) **Permitted Use**: The operation of a cosmetic surgery center, a related medical practice and/or related medical services and uses ancillary thereto.

(e) **Notices**: Addresses for notices are as follows:

Landlord:	RES Investments LLC 2335 S. Michigan Avenue Chicago, Illinois 60616 Attn: David Shifrin
Tenant:	Chicago Cosmetic Surgery Institute LLC 2335 S. Michigan Avenue Chicago, Illinois 60616 Attn: David Shifrin

(f) **Payments**: All payments made by Tenant to Landlord hereunder shall be made by electronic payment method, as per instructions provided by Landlord.

(g) **Exhibits**: Exhibit A Legal Description of Leased Premises

Section 1.02. Lease of Premises. Subject to the terms and conditions in this Lease, Landlord hereby leases to Tenant and Tenant hereby leases from Landlord the Leased Premises for the Lease Term as further set forth herein.

ARTICLE 2 - TERM AND POSSESSION

Section 2.01. Lease Term. The Lease Term shall commence on the Effective Date (the "Commencement Date"), and shall end, unless terminated sooner in accordance with the terms of this Lease, upon expiration of the Lease Term.

Section 2.02. Condition of the Leased Premises. Landlord shall deliver possession of the Leased Premises to Tenant in its "**AS-IS, WHERE IS**" condition. Tenant has inspected the Leased Premises, including all electrical, mechanical and communications systems therein, or has had an opportunity to do so, and agrees to accept the same "**AS-IS, WHERE IS**" without any agreements, representations, understandings or obligations on the part of Landlord to perform any alterations, repairs or improvements.

Section 2.03. Surrender of the Leased Premises. Upon the expiration or earlier termination of this Lease, Tenant shall, at its sole cost and expense, immediately: (a) surrender the Leased Premises to Landlord in broom-clean condition and in good order, condition and repair; (b) remove from the Leased Premises or where located (i) Tenant's Property (as defined in Section 8.01 below), and (ii) any alterations required to be removed pursuant to Section 7.02 below; (c) repair any damage caused by any such removal; and (d) restore the Leased Premises to the condition existing upon the Commencement Date, reasonable wear and tear excepted. All of Tenant's Property that is not removed within ten (10) days following Landlord's written demand therefor shall be conclusively deemed to have been abandoned and Landlord shall be entitled to dispose of such property at Tenant's cost without incurring any liability to Tenant. This Section 2.03 shall survive the expiration or any earlier termination of this Lease.

Section 2.04. Holding Over. If Tenant retains possession of the Leased Premises after the expiration of the Lease Term or earlier termination of this Lease, Tenant shall be a tenant at sufferance at one hundred fifty (150%) of the monthly Base Rent due during the Lease Term for the Leased Premises, and otherwise upon the terms, covenants and conditions herein specified, so far as applicable. Acceptance by Landlord of Base Rent after such expiration or earlier termination shall not result in a renewal of this Lease, nor shall such acceptance create a month-to-month tenancy. In the event a month-to-month tenancy is created by operation of law, either party shall have the right to terminate such month-to-month tenancy upon thirty (30) days' prior written notice to the other, whether or not said notice is given on the rent paying date. This Section 2.04 shall in no way constitute consent by Landlord to any holding over by Tenant upon the expiration or earlier termination of this Lease, nor limit Landlord's remedies in such event.

ARTICLE 3 - RENT

Section 3.01. Base Rent. Tenant shall pay Landlord base rent for the use and occupancy of the Leased Premises during the Lease Term ("Base Rent") in the monthly amount of $11,333 per month. Rent for any partial month during the Lease Term shall be prorated based on the actual number of days in such month. Base Rent shall be payable monthly, in advance, without demand, deduction or offset, on the Commencement Date and on or before the first day of each and every calendar month thereafter during the Lease Term. Tenant shall be responsible for delivering Base Rent to the payment address set forth in Section 1.01(e) above in accordance with this Section 3.01.

Section 3.02. Payment of Additional Rent.

(a) This Lease is and shall be deemed and construed to be a triple net lease and the Base Rent specified herein shall be net to Landlord in each month during the Lease Term. Except as otherwise set forth herein, Tenant shall pay all costs, expenses and obligations of every kind whatsoever relating to the Leased Premises which may arise or become due during the Lease Term and agrees to indemnify, defend and hold harmless Landlord against any such costs, expenses and obligations. Any amount required to be paid by Tenant hereunder (in addition to Base Rent) and any charges or expenses incurred by Landlord on behalf of Tenant under the terms of this Lease shall be considered "Additional Rent" payable in the same manner and upon the same terms and conditions as Base Rent reserved hereunder, except as set forth herein to the contrary. Base Rent, Additional Rent and any other amounts which Tenant is or becomes obligated to pay Landlord under this Lease or other agreement entered in connection herewith, are sometimes referred to collectively herein as "Rent." Any failure on the part of Tenant to pay such Rent when and as the same shall become due shall entitle Landlord to the remedies available to it for non-payment of Base Rent.

(b) Tenant shall be responsible for the payment of all real estate tax or assessment or service payments in lieu thereof, and any license fee, commercial rental tax, improvement bond or other similar charge or tax (other than inheritance, personal income or estate taxes) imposed upon the Building or Real Estate during the Lease Term by any authority having the power to so charge or tax ("Real Estate Taxes"). Notwithstanding the foregoing, Landlord and Tenant agree that Tenant's obligation to pay its pro rata share of Real Estate Taxes for the Leased Premises during the Lease Term is included in the Base Rent hereunder and Landlord shall be responsible for the timely payment of all Real Estate Taxes for the Leased Premises during the Term without further reimbursement from Tenant.

Section 3.03. Late Charges. Tenant acknowledges that Landlord shall incur certain additional unanticipated administrative and legal costs and expenses if Tenant fails to pay timely any payment required hereunder. Therefore, in addition to the other remedies available to Landlord hereunder, if any payment required to be paid by Tenant to Landlord hereunder shall become overdue, such unpaid amount shall bear interest from the due date thereof to the date of payment at the prime rate of interest, as reported in the Wall Street Journal (the "Prime Rate") plus six percent (6%) per annum.

ARTICLE 4 – INTENTIONALLY OMITTED

ARTICLE 5 – OCCUPANCY AND USE

Section 5.01. Use. Tenant shall use the Leased Premises for the Permitted Use and for no other purpose without the prior written consent of Landlord.

Section 5.02. Covenants of Tenant Regarding Use. Tenant shall: (i) use and maintain the Leased Premises and conduct its business thereon in a safe, careful, reputable and lawful manner; (ii) comply with all covenants that encumber the Leased Premises and all laws, rules, regulations, orders, ordinances, directions and requirements of any governmental authority or agency, now in

force or which may hereafter be in force, including, without limitation, those which shall impose upon Landlord or Tenant any duty with respect to or triggered by a change in the use or occupation of, or any improvement or alteration to, the Leased Premises; and (iii) comply with and obey all reasonable directions, rules and regulations promulgated by Landlord from time to time, as may be modified by Landlord on reasonable notice to Tenant. Tenant shall not use the Leased Premises, nor allow the Leased Premises to be used, for any purpose or in any manner that would: (i) invalidate any policy of insurance now or hereafter carried by Landlord on the Building; or (ii) increase the rate of premiums payable on any such insurance policy unless Tenant reimburses Landlord for any increase in premium charged.

Section 5.03. Landlord's Rights Regarding Use. Without limiting any of Landlord's rights specified elsewhere in this Lease, Landlord, its agents, employees and contractors and any mortgagee of the Leased Premises shall have the right to enter any part of the Leased Premises at reasonable times upon reasonable notice (except in the event of an emergency where no notice shall be required) for the purposes of examining or inspecting the same (including, without limitation, testing to confirm Tenant's compliance with this Lease), showing the same to prospective purchasers, mortgagees or tenants, and making such repairs, alterations or improvements to the Leased Premises or the Leased Premises as Landlord may deem necessary or desirable. Landlord shall incur no liability to Tenant for such entry, nor shall such entry constitute an eviction of Tenant or a termination of this Lease, or entitle Tenant to any abatement of Rent therefor. Without limiting the foregoing, Landlord covenants and agrees that in exercising any of its rights under this Section 5.03, Landlord shall use reasonable efforts to minimize any interference with Tenant's use of the Leased Premises for the Permitted Use.

ARTICLE 6 – UTILITIES

During the Lease Term, Tenant shall obtain in its own name and pay directly to the appropriate supplier the cost of all utilities and services serving the Leased Premises. Landlord shall not be liable in damages or otherwise for any failure or interruption of any utility or other service and no such failure or interruption shall entitle Tenant to terminate this Lease or withhold sums due hereunder.

ARTICLE 7 – REPAIRS, MAINTENANCE AND ALTERATIONS

Section 7.01. Repair and Maintenance Obligations. During the Lease Term, Tenant shall make all necessary repairs, replacements and maintenance to the Leased Premises, including, without limitation, the electrical, plumbing and other mechanical systems, plate glass, floors, windows and doors, interior and exterior lighting, walls, roof, foundation, structural frame of the Building and the parking and landscaped areas located on the Real Estate, provided that during the Additional Term, Landlord shall make all necessary repairs, replacements and maintenance to the exterior walls, roof, foundation, structural frame of the Building and the parking and landscaped areas located on the Land, provided however, to the extent any such repairs, replacements or maintenance are required because of the negligence, misuse or default of Tenant, its employees, agents, contractors, customers or invitees, Landlord shall make such repairs at Tenant's sole expense.

Section 7.02. Alterations. Tenant shall not permit alterations in or to the Leased Premises unless and until Landlord has approved the plans therefor in writing, which Landlord may withhold in Landlord's sole discretion. As a condition of any approval, Landlord may, as a part of the approval process, require Tenant to remove the alterations and restore the Leased Premises upon termination or expiration of this Lease; otherwise, all such alterations shall at Landlord's option become a part of the realty and the property of Landlord, and shall not be removed by Tenant. Tenant must construct all approved alterations or cause all approved alterations to be constructed: (a) in accordance with all applicable laws, regulations and building codes; (b) in a good and workmanlike manner and of quality equal to or better than the original construction of the Building; (c) promptly by a contractor approved by Landlord in writing; and (d) in full compliance with all of Landlord's rules and regulations applicable to third party contractors, subcontractors and suppliers performing work at the Leased Premises. No person shall be entitled to any lien derived through or under Tenant for any labor or material furnished to the Leased Premises, and nothing in this Lease shall be construed to constitute Landlord's consent to the creation of any lien. Tenant will pay the cost and expense of all alterations, including, without limitation, a reasonable charge for Landlord's review, inspection and engineering time for alterations, and for any painting, restoring or repairing of the Leased Premises or the Building necessitated by the alterations. Prior to commencing the alterations, Tenant will deliver the following to Landlord in form and amount reasonably satisfactory to Landlord: (a) demolition (if applicable) and payment and performance bonds; (b) builder's "all risk" insurance in an amount at least equal to the replacement value of the alterations; and (c) evidence that Tenant and each of Tenant's contractors have in force liability insurance insuring against construction related risks in at least the form, amounts and coverages required of Tenant by Landlord in its sole discretion. The insurance policies described in clauses (b) and (c) of this section must name Landlord and Landlord's lender (if any) as additional insureds, specifically including completed operations. Landlord may inspect construction of the alterations at any time. Immediately after completing the alterations, Tenant will furnish Landlord with contractor affidavits and full and final lien waivers covering all labor and materials expended and used in connection with the alterations.

Section 7.03. Liens. Tenant will keep the Leased Premises and Real Estate free from any mechanics', materialmens', designers' or other liens arising out of any work performed, materials furnished or obligations incurred by or for Tenant or any person or entity claiming by, through or under Tenant, including but not limited to any Tenant's Work or alterations. If any such liens are filed and Tenant, within fifteen (15) days after such filing, does not release the same of record or provide Landlord with a bond or other security satisfactory to Landlord protecting Landlord and the Leased Premises and Real Estate against such liens, Landlord may, without waiving its rights and remedies based upon such breach by Tenant and without releasing Tenant from any obligation under this Lease, cause such liens to be released by any means Landlord deems proper, including, but not limited to, paying the claim giving rise to the lien or posting security to cause the discharge of the lien. In such event, Tenant will reimburse Landlord, as Additional Rent, for all amounts Landlord pays (including, without limitation, reasonable attorneys' fees and costs). To the fullest extent allowable under the Laws, Tenant releases and will indemnify, protect, defend (with counsel reasonably acceptable to Landlord) and hold harmless the Landlord and Landlord's mortgagee and the Leased Premises from and against any claims in any manner relating to or arising out of any alterations or any other work performed, materials furnished or obligations incurred by or for Tenant or any person or entity claiming by, through or under Tenant.

ARTICLE 8 – INDEMNITY AND INSURANCE

Section 8.01. Release. All of Tenant's trade fixtures, merchandise, inventory, special fire protection equipment, telecommunication and computer equipment, supplemental air conditioning equipment and all other personal property in or about the Leased Premises, the Building or the Real Estate, which is deemed to include the trade fixtures, merchandise, inventory and personal property of others located in or about the Leased Premises or Real Estate at the invitation, direction or acquiescence (express or implied) of Tenant (all of which property shall be referred to herein, collectively, as "Tenant's Property"), shall be and remain at Tenant's sole risk. Landlord shall not be liable to Tenant or to any other person for, and Tenant hereby releases Landlord (and its affiliates, property managers and mortgagees) from (a) any and all liability for theft or damage to Tenant's Property, and (b) any and all liability for any injury to Tenant or its employees, agents, contractors, guests and invitees in or about the Leased Premises, the Building or the Land, except to the extent of personal injury caused directly by the negligence or willful misconduct of Landlord, its agents, employees or contractors. Nothing contained in this Section 8.01 shall limit (or be deemed to limit) the waivers contained in Section 8.06 below. In the event of any conflict between the provisions of Section 8.06 below and this Section 8.01, the provisions of Section 8.06 shall prevail. This Section 8.01 shall survive the expiration or earlier termination of this Lease.

Section 8.02. Indemnification by Tenant. Tenant shall protect, defend, indemnify and hold Landlord, its agents, employees and contractors of all tiers harmless from and against any and all claims, damages, demands, penalties, costs, liabilities, losses, and expenses (including reasonable attorneys' fees and expenses at the trial and appellate levels) to the extent (a) arising out of or relating to any act, omission, negligence, or willful misconduct of Tenant or Tenant's agents, employees, contractors, customers or invitees in or about the Leased Premises, the Building or the Real Estate, (b) arising out of or relating to any of Tenant's Property, or (c) arising out of any other act or occurrence within the Leased Premises, in all such cases except to the extent of personal injury caused directly by the gross negligence or willful misconduct of Landlord, its agents, employees or contractors. Nothing contained in this Section 8.02 shall limit (or be deemed to limit) the waivers contained in Section 8.06 below. In the event of any conflict between the provisions of Section 8.06 below and this Section 8.02, the provisions of Section 8.06 shall prevail. This Section 8.02 shall survive the expiration or earlier termination of this Lease.

Section 8.03. Indemnification by Landlord. Landlord shall protect, defend, indemnify and hold Tenant, its agents, employees and contractors of all tiers harmless from and against any and all claims, damages, demands, penalties, costs, liabilities, losses and expenses (including reasonable attorneys' fees and expenses at the trial and appellate levels) to the extent arising out of or relating to any negligence or willful misconduct of Landlord or Landlord's agents, employees or contractors. Nothing contained in this Section 8.03 shall limit (or be deemed to limit) the waivers contained in Section 8.06 below. In the event of any conflict between the provisions of Section 8.06 below and this Section 8.03, the provisions of Section 8.06 shall prevail. This Section 8.03 shall survive the expiration or earlier termination of this Lease.

Section 8.04. Tenant's Insurance.

(a) During the Lease Term (and any period of early entry or occupancy or holding over by Tenant, if applicable), Tenant shall maintain the following types of insurance, in the amounts specified below:

(i) Liability Insurance. Commercial General Liability Insurance, ISO Form CG 00 01, or its equivalent, covering Tenant's use of the Leased Premises against claims for bodily injury or death or property damage, which insurance shall be primary and non-contributory and shall provide coverage on an occurrence basis with a per occurrence limit in an amount satisfactory to Landlord, for each policy year, which limit may be satisfied by any combination of primary and excess or umbrella per occurrence policies.

(ii) Property Insurance. Special Form Insurance in the amount of the full replacement cost of Tenant's Property (including, without limitation, alterations or additions performed by Tenant pursuant hereto), which insurance shall waive coinsurance limitations.

(b) All insurance required to be carried by Tenant hereunder shall (i) be issued by one or more insurance companies reasonably acceptable to Landlord, licensed to do business in the State in which the Leased Premises is located and having an AM Best's rating of A IX or better, and (ii) provide that said insurance shall not be materially changed, canceled or permitted to lapse without written notice to Landlord. In addition, upon Landlord's request, Tenant shall name Landlord, Landlord's managing agent, and any mortgagee requested by Landlord, as additional insureds under its commercial general liability, excess and umbrella policies (but only to the extent of the limits required hereunder). On or before the Commencement Date (or the date of any earlier entry or occupancy by Tenant), and thereafter, within thirty (30) days prior to the expiration of each such policy, in each case upon Landlord's request, Tenant shall furnish Landlord with certificates of insurance in the form of ACORD 25 (or other evidence of insurance reasonably acceptable to Landlord), evidencing all required coverages, and that with the exception of Worker's Compensation insurance, such insurance is primary and non-contributory. Upon Tenant's receipt of a request from Landlord, Tenant shall provide Landlord with copies of all insurance policies, including all endorsements, evidencing the coverages required hereunder. If Tenant fails to carry such insurance and furnish Landlord with such certificates of insurance or copies of insurance policies (if applicable), Landlord may obtain such insurance on Tenant's behalf and Tenant shall reimburse Landlord upon demand for the cost thereof as Additional Rent. Landlord reserves the right from time to time to require Tenant to obtain higher minimum amounts or different types of insurance if it becomes customary for other landlords of similar buildings in the area to require similar sized tenants in similar industries to carry insurance of such higher minimum amounts or of such different types.

Section 8.05. Landlord's Insurance. During the Lease Term, Landlord shall maintain the following types of insurance, in the amounts specified below:

(a) Liability Insurance. Commercial General Liability Insurance, ISO Form CG 00 01, or its equivalent, covering the Landlord against claims for bodily injury or death and property damage, which insurance shall be primary and non-contributory and shall provide coverage on an occurrence basis with a per occurrence limit of an amount satisfactory to Landlord for each policy

year, which limit may be satisfied by any combination of primary and excess or umbrella per occurrence policies.

(b) Property Insurance. Special Form Insurance in the amount of the full replacement cost of the Building, but excluding Tenant's Property and any other items required to be insured by Tenant pursuant to Section 8.04 above.

Section 8.06. Waiver of Subrogation. Notwithstanding anything contained in this Lease to the contrary, Landlord (and its affiliates, property managers and mortgagees) and Tenant (and its affiliates) hereby waive any rights each may have against the other on account of any loss of or damage to their respective property, the Leased Premises, its contents, or other portions of the Leased Premises or Real Estate arising from any risk which is required to be insured against by Sections 8.04(a)(ii), 8.04(a)(iii) and 8.05(b) above. The special form property insurance policies and worker's compensation insurance policies maintained by Landlord and Tenant as provided in this Lease shall include an endorsement containing an express waiver of any rights of subrogation by the insurance company against Landlord and Tenant, as applicable.

ARTICLE 9 – CASUALTY

Section 9.01. Landlord's Rights. If all or any part of the Building and/or the Leased Premises is(are) damaged by fire or other casualty (a "Casualty"), and if Landlord makes a good faith determination that: (a) restoring the Leased Premises would be uneconomical; or (b) Landlord is required to pay any insurance proceeds arising out of the Casualty to Landlord's mortgagee, then Landlord may terminate this Lease by giving Tenant written notice of Landlord's election to terminate (the "Casualty Termination Notice") within sixty (60) days after the Casualty has occurred, and Rent will abate as of the date of the Casualty. Such termination shall be effective sixty (60) days after the date of the Casualty Termination Notice.

Section 9.02. Repair Obligation. If Landlord elects not to terminate this Lease following a Casualty, then Landlord, within a reasonable time after such Casualty, will proceed with reasonable diligence to repair, restore or rehabilitate the Building and/or the Leased Premises, as the case may be, to substantially the same condition as they existed immediately before such Casualty. However, Landlord will not be required to repair or replace any of the furniture, equipment, fixtures, and other leasehold improvements which may have been placed by or at the request of Tenant and required to be insured by Tenant, and Landlord's obligation to repair or restore the Building and/or the Leased Premises will be limited to the extent of the insurance proceeds actually received by Landlord for the Casualty in question. In the event that Landlord elects not to terminate the Lease and Landlord proceeds to repair the Building and/or the Leased Premises, then Tenant must apply to the replacement or restoration of the furniture, equipment, fixtures and other improvements in the Leased Premises (if replacement or restoration is necessary because of the Casualty) any proceeds of insurance that it may have received from its policy(ies) on account of the Casualty. During such repair or rebuilding of the Building and/or the Leased Premises, Rent for the portion of the Leased Premises rendered untenantable by the damage will be abated on a reasonable basis determined by Landlord from the date of damage until the completion of the repair, restoration or rehabilitation, unless the Casualty was caused by Tenant or any of Tenant's affiliates, in which event Tenant shall continue to pay Rent without abatement.

ARTICLE 10 – EMINENT DOMAIN

If all or any substantial part of the Building or Real Estate shall be acquired by the exercise of eminent domain, Landlord may terminate this Lease by giving written notice to Tenant on or before the date possession thereof is so taken. If all or any part of the Leased Premises shall be acquired by the exercise of eminent domain so that the Leased Premises shall become impractical for Tenant to use for the Permitted Use, Tenant may terminate this Lease by giving written notice to Landlord as of the date possession thereof is so taken. All damages awarded shall belong to Landlord; provided, however, that Tenant may pursue dislocation damages if such amount is not subtracted from Landlord's award.

ARTICLE 11 – ASSIGNMENT AND SUBLEASE

Tenant shall not assign this Lease or sublet the Leased Premises in whole or in part without Landlord's prior written consent. In the event of any permitted assignment or subletting, Tenant shall remain primarily liable hereunder, and any extension, expansion, rights of first offer, rights of first refusal or other options granted to Tenant under this Lease shall be rendered void and of no further force or effect. The acceptance of Rent from any other person shall not be deemed to be a waiver of any of the provisions of this Lease or to be a consent to the assignment of this Lease or the subletting of the Leased Premises. Any assignment or sublease consented to by Landlord shall not relieve Tenant (or its assignee) from obtaining Landlord's consent to any subsequent assignment or sublease. By way of example and not limitation, Landlord shall be deemed to have reasonably withheld consent to a proposed assignment or sublease if in Landlord's opinion: (i) the Leased Premises are or may be in any way adversely affected; (ii) the business reputation of the proposed assignee or subtenant is unacceptable; (iii) the financial worth of the proposed assignee or subtenant is insufficient to meet the obligations hereunder, or (iv) the prospective assignee or subtenant is a bona-fide third-party prospective tenant of Landlord. If Landlord refuses to give its consent to any proposed assignment or subletting, Landlord may, at its option, within thirty (30) days after receiving a request to consent, terminate this Lease by giving Tenant thirty (30) days' prior written notice of such termination, whereupon each party shall be released from all further obligations and liability hereunder, except those which expressly survive the termination of this Lease.

ARTICLE 12 – ESTOPPEL CERTIFICATES AND SNDA

Section 12.01. Estoppel Certificate. Within ten (10) days following receipt of a written request from Landlord, Tenant shall execute and deliver to Landlord, without cost to Landlord, an estoppel certificate in such form as Landlord may reasonably request certifying: (a) that this Lease is in full force and effect and unmodified or stating the nature of any modification; (b) the date to which Rent has been paid; (c) that there are not, to Tenant's knowledge, any uncured defaults or specifying such defaults if any are claimed; and (d) any other matters or state of facts reasonably required respecting the Lease. Such estoppel may be relied upon by Landlord and by any purchaser or mortgagee of the Leased Premises.

Section 12.02. Subordination. This Lease is and shall be expressly subject and subordinate at all times to the lien of any present or future mortgage or deed of trust encumbering fee title to

the Leased Premises. If any such mortgage or deed of trust be foreclosed, upon request of the mortgagee or beneficiary ("Landlord's Mortgagee"), as the case may be, Tenant will attorn to the purchaser at the foreclosure sale. The foregoing provisions are declared to be self-operative and no further instruments shall be required to effect such subordination and/or attornment; provided, however, that subordination of this Lease to any present or future mortgage or trust deed shall be conditioned upon the mortgagee, beneficiary, or purchaser at foreclosure, as the case may be agreeing that Tenant's occupancy of the Leased Premises and other rights under this Lease shall not be disturbed by reason of the foreclosure of such mortgage or trust deed, as the case may be, so long as Tenant is not in default under this Lease. Within ten (10) days following receipt of a written request from Landlord, Tenant shall execute and deliver to Landlord, without cost, any instrument that Landlord deems reasonably necessary or desirable to confirm the subordination of this Lease.

ARTICLE 13 – DEFAULT AND REMEDY

Section 13.01. Default. The occurrence of any of the following shall be a "Default":

(a) Tenant fails to make any payment of Rent within five (5) days after the same is due.

(b) Tenant fails to perform or observe any other term, condition, covenant or obligation required under this Lease for a period of thirty (30) days after written notice thereof from Landlord.

(c) Tenant shall vacate or abandon the Leased Premises, or fail to occupy the Leased Premises or any substantial portion thereof for a period of thirty (30) days without the express written permission of the Landlord.

(d) Tenant shall assign or sublet all or a portion of the Leased Premises in contravention of the provisions of Article 11 of this Lease.

(e) All or substantially all of Tenant's assets in the Leased Premises or Tenant's interest in this Lease are attached or levied under execution (and Tenant does not discharge the same within sixty (60) days thereafter); a petition in bankruptcy, insolvency or for reorganization or arrangement is filed by or against Tenant (and Tenant fails to secure a stay or discharge thereof within sixty (60) days thereafter); Tenant is insolvent and unable to pay its debts as they become due; Tenant makes a general assignment for the benefit of creditors; Tenant takes the benefit of any insolvency action or law; the appointment of a receiver or trustee in bankruptcy for Tenant or its assets if such receivership has not been vacated or set aside within thirty (30) days thereafter; or, dissolution or other termination of Tenant's corporate charter if Tenant is a corporation.

In addition to the defaults described above, the parties agree that if Tenant receives written notice of a violation of the performance of any (but not necessarily the same) term or condition of this Lease three (3) or more times during any twelve (12) month period, regardless of whether such violations are ultimately cured, then such conduct shall, at Landlord's option, represent a separate Default.

Section 13.02. Remedies. Upon the occurrence of any Default, Landlord shall have the following rights and remedies, in addition to those stated elsewhere in this Lease and those allowed by law or in equity, any one or more of which may be exercised without further notice to Tenant:

(a) Landlord may enter the Leased Premises and cure any Default of Tenant, and Tenant shall reimburse Landlord as Additional Rent for any costs and expenses that Landlord thereby incurs; and Landlord shall not be liable to Tenant for any loss or damage that Tenant may sustain by reason of Landlord's action.

(b) Landlord may terminate this Lease by giving Tenant notice of termination, in which event this Lease shall expire and terminate on the date specified in such notice of termination and all rights of Tenant under this Lease and in and to the Leased Premises shall terminate. Tenant shall remain liable for all obligations under this Lease arising up to the date of such termination, and Tenant shall surrender the Leased Premises to Landlord on the date specified in such notice. Furthermore, Tenant shall be liable to Landlord for the unamortized balance of any leasehold improvement allowance and brokerage fees paid in connection with the Lease.

(c) Without terminating this Lease, Landlord may terminate Tenant's right to possession of the Leased Premises, and thereafter, neither Tenant nor any person claiming under or through Tenant shall be entitled to possession of the Leased Premises. In such event, Tenant shall immediately surrender the Leased Premises to Landlord, and Landlord may re-enter the Leased Premises and dispossess Tenant and any other occupants of the Leased Premises by any lawful means and may remove their effects, without prejudice to any other remedy that Landlord may have. Upon termination of possession, Landlord may re-let all or any part thereof as the agent of Tenant for a term different from that which would otherwise have constituted the balance of the Lease Term and for rent and on terms and conditions different from those contained herein, whereupon Tenant shall be immediately obligated to pay to Landlord an amount equal to: (i) the difference between the rent provided for herein and that provided for in any lease covering a subsequent re-letting of the Leased Premises, for the period which would otherwise have constituted the balance of the Lease Term had this Lease not been terminated (said period being referred to herein as the "Remaining Term"); (ii) the costs of recovering possession of the Leased Premises and all other expenses, loss or damage incurred by Landlord by reason of Tenant's Default ("Default Damages"), which shall include, without limitation, expenses of preparing the Leased Premises for re-letting, demolition, repairs, tenant finish improvements, brokers' commissions and attorneys' fees; and (iii) all unpaid Base Rent and Additional Rent that accrued prior to the date of termination of possession, plus any interest and late fees due hereunder (the "Prior Obligations"). Neither the filing of any dispossessory proceeding nor an eviction of personalty in the Leased Premises shall be deemed to terminate the Lease.

(d) Landlord may terminate this Lease and recover from Tenant all damages Landlord may incur by reason of Tenant's default, including, without limitation, an amount which, at the date of such termination is equal to the sum of the following: (i) the value of the excess, if any, discounted at the prime rate of interest (as reported in the *Wall Street Journal*), of: (A) the Base Rent, Additional Rent and all other sums that would have been payable hereunder by Tenant for the Remaining Term; less (B) the aggregate reasonable rental value of the Leased Premises for the Remaining Term, as determined by a real estate broker licensed in the State of Illinois who has at

least ten (10) years of experience; (ii) all of Landlord's Default Damages; and (iii) all Prior Obligations. Landlord and Tenant acknowledge and agree that the payment of the amount set forth in clause (i) above shall not be deemed a penalty, but shall merely constitute payment of liquidated damages, it being understood that actual damages to Landlord are extremely difficult, if not impossible, to ascertain. It is expressly agreed and understood that all of Tenant's liabilities and obligations set forth in this subsection (d) shall survive termination.

(e) With or without terminating this Lease, declare immediately due and payable the sum of the following: (i) the present value (discounted at the prime rate of interest, as reported in the *Wall Street Journal*) of all Base Rent and Additional Rent due and coming due under this Lease for the entire Remaining Term (as if by the terms of this Lease they were payable in advance); (ii) all Default Damages; and (iii) all Prior Obligations, whereupon Tenant shall be obligated to pay the same to Landlord; provided, however, that such payment shall not be deemed a penalty or liquidated damages, but shall merely constitute payment in advance of all Base Rent and Additional Rent payable hereunder throughout the Remaining Term, and provided further, however, that upon Landlord receiving such payment, Tenant shall be entitled to receive from Landlord all rents received by Landlord from other assignees, tenant and subtenants on account of said Leased Premises during the Remaining Term (but only to the extent that the monies to which Tenant shall so become entitled do not exceed the entire amount actually paid by Tenant to Landlord pursuant to this subsection I), less all Default Damages of Landlord incurred but not yet reimbursed by Tenant.

(f) Landlord may sue for injunctive relief or to recover damages for any loss resulting from the Default.

Section 13.04. Limitation of Landlord's Liability. If Landlord shall fail to perform any term, condition, covenant or obligation required to be performed by it under this Lease and if Tenant shall, as a consequence thereof, recover a money judgment against Landlord, Tenant agrees that it shall look solely to Landlord's right, title and interest in and to the Leased Premises for the collection of such judgment; and Tenant further agrees that no other assets of Landlord shall be subject to levy, execution or other process for the satisfaction of Tenant's judgment.

Section 13.05. Nonwaiver of Defaults. Neither party's failure nor delay in exercising any of its rights or remedies or other provisions of this Lease shall constitute a waiver thereof or affect its right thereafter to exercise or enforce such right or remedy or other provision. No waiver of any default shall be deemed to be a waiver of any other default. Landlord's receipt of less than the full Rent due shall not be construed to be other than a payment on account of Rent then due, nor shall any statement on Tenant's check or any letter accompanying Tenant's check be deemed an accord and satisfaction. No act or omission by Landlord or its employees or agents during the Lease Term shall be deemed an acceptance of a surrender of the Leased Premises, and no agreement to accept such a surrender shall be valid unless in writing and signed by Landlord.

Section 13.06. Attorneys' Fees. If either party defaults in the performance or observance of any of the terms, conditions, covenants or obligations contained in this Lease and the non-defaulting party obtains a judgment against the defaulting party, then the defaulting party agrees to reimburse the non-defaulting party for reasonable attorneys' fees incurred in connection

therewith. In addition, if a monetary Default shall occur and Landlord engages outside counsel to exercise its remedies hereunder, and then Tenant cures such monetary Default, Tenant shall pay to Landlord, on demand, all expenses incurred by Landlord as a result thereof, including reasonable attorneys' fees, court costs and expenses actually incurred.

ARTICLE 14 – TENANT'S RESPONSIBILITY REGARDING ENVIRONMENTAL LAWS AND HAZARDOUS SUBSTANCES

Section 14.01. Environmental Definitions.

(a) "Environmental Laws" shall mean all present or future federal, state and municipal laws, ordinances, rules and regulations applicable to the environmental and ecological condition of the Leased Premises, and the rules and regulations of the Federal Environmental Protection Agency and any other federal, state or municipal agency or governmental board or entity having jurisdiction over the Leased Premises.

(b) "Hazardous Substances" shall mean those substances included within the definitions of "hazardous substances," "hazardous materials," "toxic substances" "solid waste" or "infectious waste" under Environmental Laws and petroleum products.

Section 14.02. Restrictions on Tenant. Tenant shall not cause or permit the use, generation, release, manufacture, refining, production, processing, storage or disposal of any Hazardous Substances on, under or about the Leased Premises, or the transportation to or from the Leased Premises of any Hazardous Substances, except as necessary and appropriate for its Permitted Use in which case the use, storage or disposal of such Hazardous Substances shall be performed in compliance with the Environmental Laws and the highest standards prevailing in the industry.

Section 14.03. Notices, Affidavits, Etc. Tenant shall immediately (a) notify Landlord of (i) any violation by Tenant, its employees, agents, representatives, customers, invitees or contractors of any Environmental Laws on, under or about the Leased Premises, or (ii) the presence or suspected presence of any Hazardous Substances on, under or about the Leased Premises, and (b) deliver to Landlord any notice received by Tenant relating to (a)(i) and (a)(ii) above from any source. Tenant shall execute affidavits, representations and the like within five (5) days of Landlord's request therefor concerning Tenant's best knowledge and belief regarding the presence of any Hazardous Substances on, under or about the Leased Premises.

Section 14.04. Tenant's Indemnification. Tenant shall indemnify Landlord and Landlord's managing agent from any and all claims, losses, liabilities, costs, expenses and damages, including attorneys' fees, costs of testing and remediation costs, incurred by Landlord in connection with any breach by Tenant of its obligations under this Article 14. The covenants and obligations under this Article 14 shall survive the expiration or earlier termination of this Lease.

ARTICLE 15 – MISCELLANEOUS

Section 15.01. Benefit of Landlord and Tenant. This Lease shall inure to the benefit of and be binding upon Landlord and Tenant and their respective successors and assigns.

Section 15.02. Governing Law. This Lease shall be governed in accordance with the laws of the State of Illinois.

Section 15.03. Force Majeure. Landlord and Tenant (except with respect to the payment of any monetary obligation) shall be excused for the period of any delay in the performance of any obligation hereunder when such delay is occasioned by causes beyond its control, including but not limited to work stoppages, boycotts, slowdowns or strikes; shortages of materials, equipment, labor or energy; unusual weather conditions; or acts or omissions of governmental or political bodies.

Section 15.04. Examination of Lease. Submission of this instrument by Landlord to Tenant for examination or signature does not constitute an offer by Landlord to lease the Leased Premises. This Lease shall become effective, if at all, only upon the execution by and delivery to both Landlord and Tenant. Execution and delivery of this Lease by Tenant to Landlord constitutes an offer to lease the Leased Premises on the terms contained herein.

Section 15.05. Indemnification for Leasing Commissions. The parties hereby represent and warrant that no real estate brokers were involved in the negotiation and execution of this Lease and that no other party is entitled, as a result of the actions of the respective party, to a commission or other fee resulting from the execution of this Lease. Each party shall indemnify the other from any and all liability for the breach of this representation and warranty on its part and shall pay any compensation to any other broker or person who may be entitled thereto.

Section 15.06. Notices. All notices and demands which may or are required or permitted to be given by either party to the other under this Lease or by law shall be deemed to have been given if it is in writing, and delivered in person (by hand delivery or messenger) or by overnight courier or mailed by or sent by either United States certified mail, return receipt requested, postage prepaid or by Federal Express or other nationally recognized overnight delivery service, to the party who is to receive such notice at the address specified in Section 1.01. Section IX, Safety Net Impact Statement

1. South Loop Surgery Center will improve access to outpatient surgery services to patients residing in Bronzeville and other communities on the South Side of Chicago. As discussed throughout this application the potential closure of Mercy Hospital & Medical Center will adversely affect this medically underserved community as there are no other facilities in the in the immediate area that provide surgical services. As stated in the letter from David A. Shifrin, M.D., Manager, Chicago Cosmetic Surgery Institute, LLC d/b/a South Loop Surgery Center, South Loop Surgery Center will accept all patients who are clinically appropriate for outpatient surgery, regardless of ability to pay. See Attachment – 37A. Further, South Loop Surgery Center has Charity Care Financial Assistance Program to provide eligible patients with financial assistance for medically necessary care. See Attachment – 37B. South Loop Surgery Center will address the need for a high quality, low-cost outpatient surgery option for residents of Bronzeville and surrounding communities.

2. The establishment of South Loop Surgery Center will not impact the ability of other providers or health care systems to cross-subsidize safety net services. Most of the surgical procedures to be performed at the surgery center are primarily performed in an office-based setting. Further, South Loop Surgery Center will provide a high quality, low cost outpatient surgical option to patients residing in Bronzeville and other communities on the South Side of Chicago, many of which are economically disadvantaged.

3. The Applicants propose the establishment of an ambulatory surgical treatment center. Accordingly, this criterion is not applicable.

4. As a for-profit entity, South Loop Surgery Center does not track charity care. Its payor mix is provided below.

RE: South Loop Surgery Center Admission Policy

Dear Mr. Constantino:

I am writing to inform you of the patient admission policy for Chicago Cosmetic Surgery Institute LLC d/b/a South Loop Surgery Center ("SLSC"). SLSC is committed to operating the proposed ambulatory surgical treatment center ("ASTC") in a manner that will maintain the financial viability of the facility while at the same time operating for the benefit of the community by promoting health care access for a broad cross-section of the community. To this end, SLSC, will accept patients who are clinically appropriate for outpatient surgery, regardless of their ability to pay and will not discriminate against individuals based on their race, color, religion, sex, sexual orientation, gender identity or national origin.

SLSC's commitment to charity care will be in line with other ASTCs in the Chicagoland area.

Please let me know if you have any questions or would like additional information regarding SLSC's admission policy or charity care commitment.

Sincerely,

Charity Care at South Loop Surgery Center

As a caring member of the health care community, the South Loop Surgery Center has a Charity Care Financial Assistance Program to provide eligible patients financial assistance for medically necessary care. Under the Program, a range of discounts is available to patients who are Illinois residents, submit an application and meet financial eligibility criteria. No eligible patients will be charged more for medically necessary care than the amounts generally billed to patients who have insurance. All patients may apply, however, not all patients and/or services may be eligible.

South Loop Surgery Center Charity Care Application

YOU MAY BE ABLE TO RECEIVE FREE OR DISCOUNTED CARE. Completing this application will help South Loop Surgery Center determine if you can receive free or discounted services or other public programs that can help pay for your healthcare. Please note that Financial Assistance is available only to residents of Illinois.

IF YOU ARE UNINSURED, A SOCIAL SECURITY NUMBER IS NOT REQUIRED TO QUALIFY FOR FREE OR DISCOUNTED CARE. However, a Social Security Number is required for some public programs, including Medicaid. Providing a Social Security Number is not required but will help the facility determine whether you qualify for any public programs.

Please complete this form and submit it in person, by mail, or by fax to apply for free or discounted care as soon as possible after the date of service. We will accept your Application for up to 90 days following the first billing statement for your care. Patient acknowledges that he or she has made a good faith effort to provide all information requested in the application to assist in determining whether the patient is eligible for financial assistance.
