Hi Asim:

Ms Avery told us to put both 20-045 and 21-002 on the March Agenda. if possible can you have your auditor/cpa give me the difference in price between and audit and a review. If possible I would recommend your auditor/cpa be on the virtual call for Project 20-045.

One question that might come up and I have told Juan this has Dr. Sampson been granted privileges at any of the Fresenius or DaVita facilities.

Also we had to bring back DCC western to this meeting ...the one you never provided any information on...

Guys I still need responses to these two questions:

1. How are the patients of Concerto Dialysis going to be accommodated with the proposed relocation?
2. And why the 50 patients cannot use the current underutilized facilities in the GSA?
