HEALTH FACILITIES &  
SERVICES REVIEW BOARD

August 27, 2020

Illinois Health Facilities and Services Review Board  
525 W. Jefferson St., Second Floor  
Springfield, IL 62761

Dear Illinois Health Facilities and Services Review Board members,

I am writing in support of the newly proposed Sarah Bush Lincoln Bonutti Clinic (Effingham Medical Office Building #20-030).

Y-Yard Auto & Truck is an Effingham-based, state-of-the-art automotive recycling center. Its massive inventory covers 45 acres and is one of Central Illinois' largest such centers. Y-Yard is also a locally owned, second-generation business. Hard work, honesty and integrity have made us successful over 50 years.

These are the same qualities we find in the staff at Sarah Bush Lincoln. The organization has set high standards and expectations for its employees. And they perform at this level because Sarah Bush Lincoln treats everyone with respect and compassion. SBL is transparent about its operations, and its employees are loyal as a result. They are dedicated to their employer, but they work tirelessly for the *people* they serve. This is what it means to be a good community member.

We at Y-Yard Auto & Truck are pleased that Sarah Bush Lincoln wants to make this substantial investment in our community. SBL has already proven itself to be a loyal community partner; this build is further evidence of that.

Please accept this letter as an indication of my full support of Effingham Medical Office Building #20-030.

Sincerely,

Kelly Roepke  
President, Y Yard Truck & Auto

Mike Nolan  
Chairman of the Board, Y Yard Truck & Auto
