Dear Illinois Health Facilities and Services Review Board members,

I am writing in support of the newly proposed Sarah Bush Lincoln Bonutti Clinic (Effingham Medical Office Building #20-030).

I made the decision a few years ago to leave independent practice in favor of working with Sarah Bush Lincoln at its Effingham Clinic. It was a great decision! I am excited about the Sarah Bush Lincoln Bonutti Clinic because it will enable me to grow my own practice, as various practices are shifted into larger spaces during the move. Additionally, I will have quick access to visiting specialists with whom I will share the building.

I freely support Sarah Bush Lincoln because it supports me and it supports Effingham, the community I call home.

Please accept this letter as an indication of my full support of Effingham Medical Office Building #20-030. I hope you agree with me.

Sincerely,

A handwritten signature in black ink that reads "Paul Oltman M.D." with a stylized flourish at the end.
