Dear Illinois Health Facilities and Services Review Board members,

I am writing in support of the newly proposed Sarah Bush Lincoln Bonutti Clinic (Effingham Medical Office Building #20-030).

For many years, the Sarah Bush Lincoln Bonutti Clinic has proudly served as the local "art gallery" for the Effingham County Art Guild. The staff is kind enough to host an art show and award "best of" awards in several categories. The art is displayed throughout the clinic. It's a wonderful event and our members look forward to it each year, while those visiting the clinic enjoy our works of art.

In the newly proposed building, Sarah Bush Lincoln has designated space to continue this time-honored tradition, and we couldn't be happier. It is one more way this organization supports our community.

Please accept this letter as an indication of my full support of Effingham Medical Office Building #20-030. I hope you'll see the value of this building and grant the Certificate of Need.

Sincerely,

A handwritten signature in black ink, appearing to read "Stacey Zerrusen".
