Dear Illinois Health Facilities and Services Review Board members,

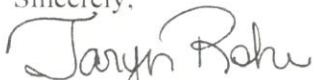

I am writing in full support of the newly proposed Sarah Bush Lincoln Bonutti Clinic (Effingham Medical Office Building #20-030).

Family Care Associates is a busy clinic with 17 medical providers. We strive to provide our patients with the best possible care. We decided 22 years ago to partner with Sarah Bush Lincoln for our laboratory and imaging services, and it's been a great partnership!

The SBL team is responsive and patient-focused. We meet regularly to find ways to enhance our patients' experiences and to share medical knowledge. During the pandemic, we have relied on Sarah Bush Lincoln for its testing services and its expertise. The organization is a valuable asset to our community, and the proposed building will be an amazing asset to every patient we refer there for care.

Please accept this letter as an indication of my full support of Effingham Medical Office Building #20-030.

Sincerely,

Taryn Rohr
Clinical Manager, Family Care Associates

Our Mission: "Providing the highest quality medical care to the patients and families we serve"
