Dear Illinois Health Services and Planning Review Board members:

I am writing in support of the Sarah Bush Lincoln Bonutti Clinic project (Effingham Medical Office Building #20-030).

As a wealth manager, I have had the pleasure of working with Sarah Bush Lincoln in a professional capacity. I understand the challenges faced daily in the healthcare industry, and I recognize the additional layer of vulnerability that the Covid-19 pandemic has added to both the financial viability of medical centers and their relationships with patients. Sarah Bush Lincoln feels a deep responsibility to the community and has frequently shared information with employees and community members in a effort to provide reliable and science-based information— without the spin. People have come to know Sarah Bush as a trusted source of information.

I support the Sarah Bush Lincoln Bonutti Clinic replacement project (Effingham Medical Office Building #20-030) and ask you to approve this Certificate of Need application.

Sincerely,
