Dear Illinois Health Facilities and Services Review Board members,

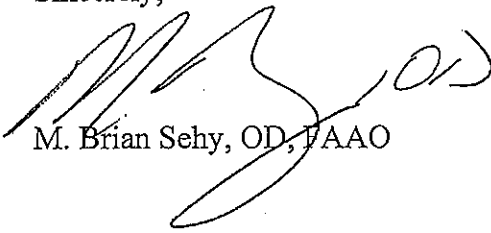

I am writing in support of the newly proposed Sarah Bush Lincoln Bonutti Clinic (#20-030).

Sarah Bush Lincoln is a healthcare leader in Effingham. It has always put the needs of the community first and has partnered with several independent providers to provide excellent care for our friends and neighbors.

As a practitioner, I am honored to lend my support to this proposed project that will change the landscape of a primary entrance into our community.

Please accept this letter as an indication of my full support of #20-030. I hope you agree with me.

Sincerely,

M. Brian Sehy, OD, FAAO
