Dear Illinois Health Facilities and Services Review Board members,

I am writing in support of the newly proposed Sarah Bush Lincoln Bonutti Clinic (#20-030).

I have a vested stake in the continued growth of Effingham. This is my home where my friends and family live. This is where I have established my veterinary practice.

I was excited to learn about the proposed Sarah Bush Lincoln Bonutti Clinic project. The clinic physicians and practitioners are outstanding and new building will be a welcome addition to our city.

Please accept this letter as an indication of my full support of #20-030. I hope you agree with me.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Chad Ely, DVM". The signature is stylized with a large, looped "S" and a cursive "Ely".
