Dear Illinois Health Facilities and Services Review Board
members,

I am writing in support of the newly proposed Sarah Bush
Lincoln Bonutti Clinic (Effingham Medical Office Building
#20-030).

I am a primary care provider in a rural area east of Effingham.
Many of my patients receive specialty care at the Sarah Bush
Lincoln Bonutti Clinic, since it offers orthopedic, pain
management, and physical and occupational therapy services.
Patients are grateful to have these services close to their homes.

People who live in rural communities are accustomed to
traveling for the specialty items and care they need. The
comprehensive services available at the SBL Bonutti Clinic
alleviates additional travel for my patients. I am grateful for the
care its doctors provide, and I look forward to the construction
of the proposed building.

Please accept this letter as an indication of my full support of
Effingham Medical Office Building #20-030.

Sincerely,

A handwritten signature in black ink, appearing to read "Kristi Esker APRN".
