Re: Michael J Hamblet – Restorative Care Institute

Dear Ms. Avery:

On behalf of Dr. Ibrahim Majzoub, MD, FCCP, ABSM, I am writing in support of the Michael J Hamblet – Restorative Care Institute application for an 98 bed skilled nursing facility to be located at 50 East Huron, Chicago, Illinois. We anticipate the Michael J Hamblet – Restorative Care Institute will be a critical discharge destination for patients recovering from injury, surgery or disease. The Michael J Hamblet – Restorative Care Institute will improve access to high quality post-acute care to patients residing in the City of Chicago.

Over the past two years, 66 prospective residents have received post-acute care at the following skilled nursing facilities within the service area. The number of patients by their zip code of residence is provided at Attachment – 1. Dr. Majzoub anticipates 20 residents will be referred annually to the Michael J Hamblet – Restorative Care Institute within 24 months of project completion.
