RE: Restorative Care Institute
Certificate of Need

Dear Avery –

It has come to my attention that Dr Krushen Pillay has referenced Winston Manor Nursing in his endorsement letter for the Certificate of Need for Restorative Care Institute, indicating that Winston Manor as a Skilled Nursing Facility. Winston Manor is an Intermediate Care Facility. Therefore his reference to Winston Manor Nursing Home receiving post-acute care at the Facility is inaccurate. Dr Pillay has not been in contact with the Facility to verify his data.

If you should have any questions please do not hesitate to contact me.

Thank you
