Date: Saturday, November 14, 2020 6:20:33 PM

We must keep Mercy Hospital open because people need care, we are in the middle of a pandemic. This is not the time to close and abandon a hospital in the mist of our current COVID-19 crisis. PEOPLE ARE DYING, PEOPLE ARE DYING, PEOPLE ARE DYING, PEOPLE ARE DYING, PEOPLE ARE DYING!!!!

PLEASE PLEASE PLEASE COME UP WITH A BETTER SOLUTION! THINK OF YOUR FAMILY MEMBER WHO MIGHT BE NEAR AND IN DYER NEED!!
