Subject: [External] The closing of Mercy Hospital
Date: Saturday, November 14, 2020 6:35:28 PM

To whom it may concern,

I'm expressing my concern about the closing of mercy hospital. Closing mercy hospital at this time when we're in a global pandemic would have a huge impact on the black and brown community that it serves. The shortage of ICU BEDS would also have a life and death impact on the black and brown community that it serves. So I'm asking that you reconsider the closing of mercy hospital.
