Re: Referral Letter- OrthoIllinois Surgery Center Elgin

Dear Ms. Avery,

My name is John Daniels, MD and I am a total joint surgeon with the OrthoIllinois Group. This letter contains the referral documentation required per Ill. Admin. Code Section 1110.235(c)(3)(A)-(B). During calendar year 2019, I referred a total of 502 procedures to the following healthcare facilities: Sherman Hospital Elgin, AMITA St. Joseph Elgin, Northwestern Huntley, and Algonquin Road Surgery Center.

Historical Caseload by Licensed setting:

Name of Healthcare Facility	Number of cases in 2019	Referrals to proposed ASTC
Sherman Hospital Elgin	0	
AMITA St. Joseph Elgin	0	
Northwestern Huntley	419	160
Algonquin Road Surgery Center	84	20
Total	502	180

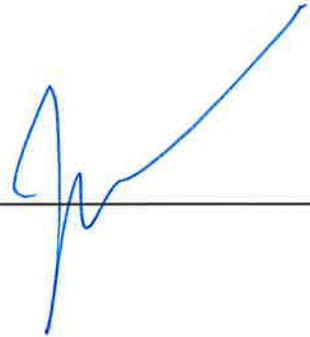

Based on my historical referrals, I anticipate referring 180 surgical cases each year to the proposed ASTC. Enclosed with this letter is a list of patient origin by zip code of residence. I certify that the patients I propose to refer reside within the applicant's proposed geographic service area.

I further certify that the aforementioned referrals have not been used to support another pending or approved certificate of need permit application. The information provided in this letter is true and accurate to the best of my knowledge.

Thank you,

John Daniels, MD
