To Whom It May Concern:

PADS of Elgin is pleased to write a letter in support of Sherman Hospital.

For years we have partnered with Sherman Hospital and many of our homeless shelter guests utilize not only their medical services, but their emergency psychiatric services as well.

As a not-for-profit hospital, Sherman does not turn anyone away and has always treated our guests with dignity and respect regardless of their ability to pay.

We are proud that Sherman Hospital is part of our community and we hope they will remain in our community for years to come.

Sincerely,

Sarah J. Ponitz
Executive Director
