RE: Letter of Support: Orthoillinois Surgery Center of Elgin Project

Dear Ms. Avery,

My name is Colleen Murphy I am a patient of Dr. Nickolas Brissey at Orthoillinois. I support their application to open a surgery center in Elgin. I have received excellent care from Dr Brissey and all the support staff at Orthoillinois for my fractured ankle;

I am very active in Martial Arts and other activities. I unfortunately suffered a fractured ankle that never healed until I was referred to Orthoillinois and Dr Brissey by my primary care physician Dr Hoffman.

The surgery performed by Dr. Brissey and his team was a success and I am getting back to many of the activities that I enjoy!!

The people at Orthoillinois really care for their patients. I am very happy with all the care and support I received at Orthoillinois. I think this surgery center is a good idea because more people should have access to the kind of care that I received.

Please approve this project;

Sincerely,

Colleen Murphy
