Mike,

Here is what we received from PSC.

Thanks

Anne

EXTERNAL EMAIL  mike.constantino@illinois.gov

Hi Anne:

And thank you so much for the Christmas Card.

1. The attached page says Advantage. Are these numbers correct for Physicians' Surgical Centre? [These are the numbers for PSC.](#)
2. We need this table completed for the five highest number of procedures being performed at the Surgery Center. if the Applicants argue that their procedures cost less than a hospital I believe we need to show the Board Members that information.

| Procedure Code | Description | Medicare Reimbursement | Medicaid Reimbursement | HOPD Reimbursement |
|----------------|-----------------|------------------------|------------------------|--------------------|
| | Colonoscopy | \$300 | \$240 | \$600-\$900 |
| | EGD | \$250 | \$200 | \$500-\$750 |
| | Spine Injection | \$200 | \$160 | \$400-\$600 |
| | Cataract | \$1,000 | \$800 | \$2,000 - \$3,000 |
| | Glaucoma | \$1,100 | \$880 | \$2,200 - \$3,300 |
| | | | | |
| | | | | |
| | | | | |
| | | | | |

3. We are going to need Mark Belcher, M.D. and Michael Stock, M.D. percentage of Medicaid Referrals to the surgery center. For example of the 100 proposed referrals by Dr. Belcher how many will be Medicaid patients? and for Dr. Stock how many of the 96 proposed referrals will be Medicaid patients?
[Dr. Belcher's patients will be around 20-25% Medicaid](#)
[Dr. Stock does cataract and glaucoma. 90% of his patients are Medicare.](#)

Thanks Anne...have a good weekend. I am out tomorrow and this afternoon.
be back Monday...
