RE: Project # 20-044
Quincy Medical Group Hospital

Dear Mr. Avery,

On behalf of Sunset Home, I am proud to be writing in support of Quincy Medical Group Hospital. As a long term care facility, Sunset Home works closely with QMG Physicians on referrals and appreciates that they are patient-centered and focused on reducing healthcare costs.

Sunset Home also has ancillary agreements with QMG, and this new hospital will allow our residents to receive services from their physician of choice across all care settings. This improves the quality of care and clinical outcomes while reducing costs and ensuring the highest level of patient satisfaction.

The physicians, nurses and staff of QMG provide a high level of care to the Quincy community and have done so for many years. This proposed hospital will not only continue that tradition, but will assure that patients have the care they desire with the physician of their choice.

Sunset Home encourages the Board to vote in favor of and approve the Quincy Medical Group Hospital.

Sincerely,

Jerry Neal
