Re: Quincy Medical Group Hospital, Project #20-044

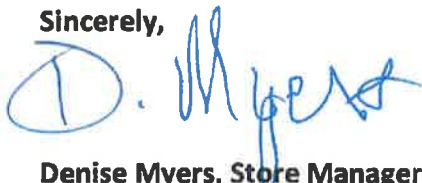

Dear Ms. Avery,

My name is Denise Myers, and I manage Factory Connection at the Quincy Mall. I'm writing in support of the Quincy Medical Group small-format hospital as something that would be a great addition here at the mall campus. Not only will the micro-hospital help the community at large by offering more alternatives to health care resources to all, but it will certainly also help increase the diversity of the mall.

We look forward to further updates on making this small format hospital a reality here within the Quincy Mall footprint and anticipate the positive impact it will have in helping to increase the foot traffic here at the mall.

I encourage you to approve Quincy Medical Group micro-hospital, project #20-044.

Sincerely,
