RE: Carle Danville CON Applications (Projects #20-047 and #20-048)

Dear Chair Savage:

This is to support of the recent Certificate of Need applications filed by Carle Health for a new Medical Office Building and Ambulatory Surgery Center.

As president of Danville Area Community College, I appreciate Carle's 35-year commitment to providing healthcare for the Vermilion County community. Moreover, Carle has proven to be an integral partner with DACC in providing clinical training for students in our nursing, radiation technology, echocardiography, and sonography programs.

By supporting the Carle application, your Board will help ensure the economic viability of businesses throughout the City and increase the quality of life of residents. Should you require additional information, please don't hesitate to contact me directly at 217-274-1764.

Thank you for your efforts to approve Carle's exciting new medical facility.

Sincerely,

Dr. Stephen Nacco
President
