Ms. Courtney Avery, Administrator
Illinois Health Facilities and Services Review Board
525 W. Jefferson, Second Floor

Dear Ms. Avery,

I am writing in support of the proposed affiliation between the Carle Foundation Health System and Advocate BroMenn Medical Center (E-013-20). As President and CEO of Afni, Inc. in Bloomington, Illinois, I am proud to serve the Bloomington area and I support Carle's commitment to ensuring access to high quality care within the region.

This affiliation underscores the critical need for healthcare in our Central Illinois communities and is a positive opportunity in that it brings expanded access to healthcare services in our area. Carle has a commitment to excellence and local residents will benefit from this affiliation.

I understand the critical need for this vertically integrated health system in our area and I fully support this affiliation.

Sincerely,
