Dear Mr. Lawler:

On July 9, 2020, the State Board received your letter completing the change of ownership exemption applications for the exemptions referenced above. Our records will be updated to show that these exemptions were completed on July 7, 2020 as referenced in your July 9th correspondence.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to acquisition. The exemption will be invalid should the facility for which the change of ownership was granted cease to be an existing health care facility as defined in 77 IAC 1130.140.

Should you have any questions or concerns, please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.
Sincerely,

Courtney Avery, Administrator
