**Narrative Description**

In the space below, provide a brief narrative description of the change of ownership. Explain **WHAT** is to be done in **State Board defined terms**, **NOT WHY** it is being done. If the project site does NOT have a street address, include a legal description of the site.

The applicant health care facility is Union County Hospital located at 517 North Main Street, Anna, Illinois.

The applicant facility is owned by Quorum Health Corporation (“Quorum”), a publicly-traded company. On April 7, 2020, Quorum and certain of its subsidiaries filed voluntary petitions under Chapter 11 of the United States Bankruptcy Code with the Bankruptcy Court for the District of Delaware to implement a negotiated financial restructuring (the “Restructuring”). Once the Restructuring is approved by the bankruptcy court, Quorum will emerge from bankruptcy. As a result of the emergence from bankruptcy, Quorum’s ownership will change and Quincy Health, LLC will become the new owner of Quorum. Quincy Health, LLC is a newly formed entity that, at emergence, will be funded and owned by certain parties who held unsecured claims in Quorum prior to the Restructuring and by certain equity commitment parties as part of the Restructuring in accordance with the Plan of Reorganization, Restructuring Support Agreement and Equity Commitment Agreement, which is further described in the attached 8-K, and thus is executing this application and making the certifications herein applicable to it presuming the completion of the Restructuring.

The applicant facility will continue to exist and serve patients through the course of the bankruptcy proceeding and thereafter. The Restructuring is expected to bring greater financial stability to a distressed community hospital enabling it to continue to provide essential healthcare services to Illinois residents, particularly during the COVID-19 crisis. The applicant facility will continue to conduct business at the same location, under the same legal entity, federal tax identification number, and operating license. The Restructuring is not expected to change or alter any of the policies or procedures, personnel, or operations of the facility.

Unlike a merger and acquisition transaction where the seller and buyer determine the timing of closing, the approval of the Restructuring plan is subject to the approval and discretion of the court handling the bankruptcy petition. In this matter, the court is expected to confirm the plan of reorganization within approximately 45 days after the bankruptcy filing, and Quorum and its subsidiaries, and the applicant facility, are expected to emerge from bankruptcy within approximately 60 days from the date of the bankruptcy filing (*i.e.*, likely on or before June 8, 2020).

**9.7 Cooperation on Tax Matters.** Following the Closing, the parties shall cooperate fully with each other and shall make available to the other, as reasonably requested and at the expense of the requesting party, and to any taxing authority, all information, records or documents relating to tax liabilities or potential tax liabilities of Seller for all periods on or prior to the Closing and any information which may be relevant to determining the amount payable under this Agreement, and shall preserve all such information, records and documents (to the extent a part of the Purchased Assets delivered to Buyer at Closing) at least until the expiration of any applicable statute of limitations or extensions thereof.

In respect of the employees employed by Buyer, Buyer shall provide such employees with employee benefits consistent with the benefits generally offered to employees of affiliates of Buyer in the same geographic area as the Hospital and, to the extent Seller has qualified retirement plans for such employees, Buyer shall recognize the existing seniority of all such employees for benefits purposes and shall provide credit under such plans for purposes of determining eligibility and vesting and the rate of benefit accrual (but not actual benefit accrual); provided, however, that no such credit need be given in respect of any new plan commenced or participated in by Buyer in which no prior service credit is given or recognized to or for other plan beneficiaries. In extending such benefits, Buyer shall waive pre-existing conditions limitations in Buyer's welfare benefit plans that might otherwise apply to such employees except to the extent employees have not satisfied such limitations under the current welfare benefit plans of Seller but only to the extent permitted under the terms of Seller's welfare benefit plans and applicable insurance policies. It shall be deemed a condition precedent to the obligations of the parties hereto that each of the Schedules, Exhibits, and related documents, instruments, books, and records shall meet with the approval of such parties. If a party, in its sole discretion, determines that it should not consummate the transactions contemplated by this Agreement because of any information contained in a Schedule, Exhibit or other instrument that is delivered to such party after the execution of this Agreement, then such party may terminate this Agreement on or before the Closing by giving written notice thereof to the other party.

**10.2 Additional Assurances.** The provisions of this Agreement shall be self-operative and shall not require further agreement by the parties except as may be herein specifically provided to the contrary; provided, however, at the request of a party, the other party or parties shall execute such additional instruments and take such additional actions as the requesting party may deem necessary to effectuate this Agreement.

**10.3 Consented Assignment.** Anything contained herein to the contrary notwithstanding, this Agreement shall not constitute an agreement to assign any claim, right, contract, license, lease, commitment, sales order, or purchase order if an attempted assignment thereof without the consent of the other party thereto would constitute a breach thereof or in any material way affect the rights of Seller thereunder, unless such consent is obtained. Each of Seller and Buyer shall use its best efforts to obtain any third party consents to the transactions contemplated by this Agreement. If such consent is not obtained, or if an attempted assignment would be ineffective or would materially affect the rights thereunder of Seller so that Buyer would not in fact receive all such rights, Seller and Buyer shall cooperate in good faith in any reasonable arrangement designed to provide for Buyer the benefits under any such claim, right, contract, license, lease, commitment, sales order, or purchase order, including, without limitation, enforcement of any and all rights of Seller against the other party or parties thereto arising out of the breach or cancellation by such other party or otherwise.

**10.4 Consents, Approvals and Discretion.** Except as herein expressly provided to the contrary, whenever this Agreement requires any consent or approval to be given by a party, or whenever a party must or may exercise discretion, the parties agree that such consent or approval shall not be unreasonably withheld or delayed and such discretion shall be reasonably exercised.

**10.5 Legal Fees and Costs.** In the event a party elects to incur legal expenses to enforce or interpret any provision of this Agreement by judicial proceedings, the prevailing party will be entitled to recover such legal expenses, including, without limitation, reasonable attorneys' fees, costs, and necessary disbursements at all court levels, in addition to any other relief to which such party shall be entitled.

**10.6 Choice of Law.** The parties agree that this Agreement shall be governed by and construed in accordance with the laws of the State of Illinois without regard to conflict of laws principles.

**10.7 Benefit/Assignment.** Subject to provisions herein to the contrary, this Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective legal representatives, successors, and assigns. No party may assign this Agreement without the prior written consent of the other parties, which consent shall not be unreasonably withheld; provided, however, that any party may, without the prior written consent of the other parties, assign its rights and delegate its duties hereunder to one or more Affiliates (as defined in Section 10.18).

**10.8 No Brokerage.** Buyer and Seller each represent and warrant to the other that it has not engaged a broker in connection with the transactions described herein. Each party agrees to be solely liable for and obligated to satisfy and discharge all loss, cost, damage, or expense arising out of claims for fees or commissions of brokers employed or alleged to have been employed by such party.

**10.9 Cost of Transaction.** Whether or not the transactions contemplated hereby shall be consummated, the parties agree as follows: (i) Seller shall pay the fees, expenses, and disbursements of Seller and its agents, representatives, accountants, and legal counsel incurred in connection with

**10.10 Confidentiality.** It is understood by the parties hereto that the information, documents, and instruments delivered to Buyer by Seller and its agents and the information, documents, and instruments delivered to Seller by Buyer and its agents are of a confidential and proprietary nature. Each of the parties hereto agrees that both prior and subsequent to the Closing it will maintain the confidentiality of all such confidential information, documents, or instruments delivered to it by each of the other parties hereto or their agents in connection with the negotiation of this Agreement or in compliance with the terms, conditions, and covenants hereof and will only disclose such information, documents, and instruments to its duly authorized officers, members, directors, representatives, and agents (including consultants, attorneys, and accountants of each party) and applicable governmental authorities in connection with any required notification or application for approval or exemption therefrom. Each of the parties hereto further agrees that if the transactions contemplated hereby are not consummated, it will return all such documents and instruments and all copies thereof in its possession to the other parties to this Agreement. Each of the parties hereto recognizes that any breach of this Section 10.10 would result in irreparable harm to the other party to this Agreement and its Affiliates (as defined in Section 10.18 below) and that therefore either Seller or Buyer shall be entitled to an injunction to prohibit any such breach or anticipated breach, without the necessity of posting a bond, cash, or otherwise, in addition to all of its other legal and equitable remedies. Nothing in this Section 10.10, however, shall prohibit the use of such confidential information, documents, or information for such governmental filings as in the opinion of Seller's counsel or Buyer's counsel are required by law or governmental regulations or are otherwise required to be disclosed pursuant to applicable state law.

**10.12 Waiver of Breach.** The waiver by any party of a breach or violation of any provision of this Agreement shall not operate as, or be construed to constitute, a waiver of any subsequent breach of the same or any other provision hereof.

**10.13 Notice.** Any notice, demand, or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personally delivered, when received by receipted overnight delivery, or five (5) days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, addressed as follows:

**ATTACHMENT 6**  
**CHANGE OF OWNERSHIP**

**1. Section 1130.520(b)(1)(A) - Names of the parties**

- a. Anna Hospital Corporation d/b/a Union County Hospital
- b. Quorum Health Corporation
- c. Quincy Health LLC

**2. Section 1130.520(b)(1)(B) - Background of the parties**

The applicants' certification of no adverse action within three years preceding the filing of the application is included with this Attachment. In addition, each of the applicants, by their signatures to the Certification pages of this application, attest that they are fit, willing, able, and have the qualifications, background, and character to adequately provide a proper standard of health service for the community.

**3. Section 1130.520(b)(1)(C) - Structure of the transaction**

The applicant facility is owned by Quorum Health Corporation ("Quorum"), a publicly-traded company. On April 7, 2020, Quorum and certain of its subsidiaries filed voluntary petitions under Chapter 11 of the United States Bankruptcy Code with the Bankruptcy Court for the District of Delaware to implement a negotiated financial restructuring (the "Restructuring"). Once the Restructuring is approved by the bankruptcy court, Quorum will emerge from bankruptcy. As a result of the emergence from bankruptcy, Quorum's ownership will change and Quincy Health, LLC will become the new owner of Quorum Health.

The applicant facility will continue to exist and serve patients through the course of the bankruptcy proceeding and thereafter. The Restructuring is expected to bring greater financial stability to a distressed community hospital enabling it to continue to provide essential healthcare services to Illinois residents, particularly during the COVID-19 crisis. The applicant facility will continue to conduct business at the same location, under the same legal entity, federal tax identification number, and operating license. The Restructuring is not expected to change or alter any of the policies or procedures, personnel, or operations of the facility.

Unlike a merger and acquisition transaction where the seller and buyer determine the timing of closing, the approval of the Restructuring plan is subject to the approval and discretion of the court handling the bankruptcy petition. In this matter, the court is expected to confirm the plan of reorganization within approximately 45 days after the bankruptcy filing, and Quorum and its subsidiaries, and the applicant facility, are expected to emerge from bankruptcy within approximately 60 days from the date of the bankruptcy filing (*i.e.*, likely on or before June 8, 2020).

A copy of the press release issued by Quorum and a copy of Quorum's Form 8-K filed with the United States Securities and Exchange Commission in connection with this transaction are included with this attachment.

**4. Section 1130.520(b)(1)(D) - Name of the person who will be licensed or certified entity after the transaction**

There will be no change in the licensed entity as a consequence of the proposed transaction. The licensee will remain Anna Hospital Corporation d/b/a Union County Hospital.

**5. Section 1130.520(b)(1)(E) - List of the ownership or membership interests in such licensed or certified entity both prior to and after the transaction, including a description of the applicant's organizational structure with a listing of controlling or subsidiary persons.**

Organizational charts showing the current interest structure of the applicant facility and the post-change ownership interest are included with Attachment 4.

**6. Section 1130.520(b)(1)(F) - Fair market value of assets to be transferred.**

Due to the nature of the restructuring transaction, no specific consideration is designated as being for or attributable to the facilities for which certificate of exemption applications are being submitted. In FY 2019, Quorum Health Corporation generated net revenue of approximately \$460,190,064 from the eleven Illinois health care facilities listed in Attachment 5. The net revenue of the applicant facility for FY 2019 is as follows:

Union County Hospital: \$22,672,065

**7. Section 1130.520(b)(1)(G) - The purchase price or other forms of consideration to be provided for those assets.**

See paragraph 6 above.

**Section 1130.520(b)(2) - Affirmation that any projects for which permits have been issued have been completed or will be completed or altered in accordance with the provisions of this Section**

In accordance with 77 Ill. Admin. Code 1130.520, the applicants, by their signatures to the Certification pages of this application, affirm that any projects for which permits have been issued by the Review Board have been completed or will be completed or altered in accordance with the provisions of 77 Ill. Admin. Code 1130.520.

**8. Section 1130.520(b)(3) - If the ownership change is for a hospital, affirmation that the facility will not adopt a more restrictive charity care policy than the policy that was in effect one year prior to the transaction. The hospital must provide affirmation that the compliant charity care policy will remain in effect for a two-year period following the change of ownership transaction**

The applicants, by their signatures to the Certification pages of this application, attest that the compliant charity care policy for any hospital applicant will remain in effect for a two-year period following the transaction.

**9. Section 1130.520(b)(4) - A statement as to the anticipated benefits of the proposed changes in ownership to the community**

The proposed restructuring is expected to bring greater financial stability to a distressed community health care facility enabling it to continue to provide essential healthcare services to Illinois residents, particularly during the COVID-19 crisis. The restructuring will allow the applicant facility to continue to exist and serve patients through the course of the bankruptcy proceeding and thereafter. The applicant facility will continue to conduct business at the same location, under the same legal entity and federal tax identification number. The restructuring is not expected to change or alter any of the applicants' policies or procedures, equipment, personnel, or operations.

**10. Section 1130.520(b)(5) - The anticipated or potential cost savings, if any, that will result for the community and the facility because of the change in ownership**

Quorum believes the restructuring will significantly reduce its debt and annual interest expense and better position the company, its affiliated hospitals, and its hospital management and consulting company, for future growth. The restructuring will also build on the significant progress Quorum has made to strengthen its operations.

In connection with the restructuring and the Chapter 11 filing, Quorum has received a commitment for debtor-in-possession financing consisting of \$100 million, from certain of its existing noteholders. Upon Court approval, the new financing and cash generated from the company's ongoing operations will be used to support the business during the court-supervised process. Quorum has also received a \$200 million equity commitment from certain noteholders that will be funded upon completion of the case and used to pay various costs and reduce debt.

**11. Section 1130.520(b)(6) - A description of the facility's quality improvement program mechanism that will be utilized to assure quality control**

The applicant facility's quality improvement program mechanism will not change as a result of the proposed transaction.

**12. Section 1130.520(b)(7) - A description of the selection process that the acquiring entity will use to select the facility's governing body**

The selection process of the applicant facility's governing body will not change as a result of the proposed transaction. Quincy Health LLC will not be involved in the day-to-day operations of the applicant facility.

**13. Section 1130.520(b)(9)- A description or summary of any proposed changes to the scope of services or levels of care currently provided at the facility that are anticipated to occur within 24 months after acquisition.**

The applicants are not anticipating changes to the scope of services or levels of care currently provided at the facility to occur within 24-months related to the proposed transaction. The impact of the Coronavirus pandemic is causing changes in the scope of services at health care facilities throughout Illinois and the country, and the applicants cannot predict what specific impact the pandemic may have on services at the applicants' facilities.

Ms. Courtney Avery, Administrator  
Illinois Health Facilities and Services Review Board  
525 West Jefferson Street, 2<sup>nd</sup> Floor  
Springfield, Illinois 62761

Dear Ms. Avery:

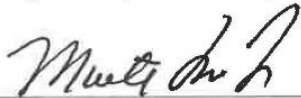

On behalf of the applicant facility and Quorum Health Corporation ("Quorum"), I hereby certify that no adverse action has been taken against the applicant facility or any other Illinois facility owned, operated and/or controlled by Quorum during the three years prior to the filing of this application for change of ownership.

The applicants affirm that all Quorum owned Illinois health care facilities are identified in this application and that no other health care facilities are currently owned or operated in Illinois by any corporate officers or directors, LLC members, partners, or owners of at least 5% of the applicant facility.

The applicants hereby permit the Illinois Health Facilities and Services Review Board and Illinois Department of Public Health ("IDPH") to have access to any documents necessary to verify the information submitted in the application for change of ownership of the facility including, but not limited to: (i) official records of IDPH or other State of Illinois agencies; (ii) the licensing or certification records of other states, when applicable; and (iii) the records of nationally recognized accreditation organizations.

The applicants further attest that the hospital facilities will not adopt a more restrictive charity care policy that was in effect one year prior to the transaction.

Respectfully submitted,

Martin Smith

**Quorum Health Corporation Reaches Agreement with Majority of Lenders and Noteholders on Prepackaged Recapitalization Plan**

*Company Hospital Facilities Are Unaffected, Open and Continue to Provide Patient Care*

*Financial Recapitalization Plan will Significantly Reduce Size and Cost of Debt to Better Position Quorum and its Hospitals for Long-term Growth*

BRENTWOOD, Tenn.--(BUSINESS WIRE)--Apr. 7, 2020-- Quorum Health Corporation (NYSE: QHC) (the "Company") today announced that it has entered into a Restructuring Support Agreement (the "RSA") with a majority of its term loan lenders and noteholders on a "pre-packaged" plan to recapitalize the business and significantly reduce the size and cost of the Company's debt. Under the terms of this pre-packaged plan, Quorum Health will reduce its debt by approximately \$500 million.

To implement the plan, Quorum Health filed a voluntary petition for reorganization under Chapter 11 of the U.S. Bankruptcy Code in the U.S. Bankruptcy Court for the District of Delaware (the "Court").

The operations of Quorum Health and its hospitals are unaffected and all facilities are open and available to provide patient care. The Company's subsidiary, Quorum Health Resources, is also continuing to provide the same high quality services to its hospital, health system and healthcare provider clients. Quorum Health-affiliated hospitals are focused on ensuring employees, physicians and providers can continue to provide quality care to the patients and communities they serve. The intent of the plan is to ensure that patients and families experience the same care that exists today. Employees will be paid their wages and benefits in the ordinary course for the work they perform. In addition, the parties to the RSA have agreed and have requested Court authority to pay suppliers in full for goods and services provided before and after filing.

"We believe the financial restructuring plan announced today will strengthen our business and enable our community hospitals to continue the important work they are doing in addressing the COVID-19 crisis, as well as serve their patients and communities," said Bob Fish, Quorum Health Corporation President and Chief Executive Officer.

"Quorum Health has been transparent about the need to restructure our debt over the past year. We believe the RSA will significantly reduce our debt and annual interest expense and better position our company, our affiliated hospitals, and our hospital management and consulting company, for future growth. The RSA will also build on the significant progress we have made to strengthen our operations. We are grateful for the support of our financial stakeholders, which we believe represents a statement of confidence in our business and enables us to move through this process on an expedited basis," Fish continued.

In connection with the RSA and the expected Chapter 11 filing, Quorum Health has received a commitment for debtor-in-possession ("DIP") financing consisting of \$100 million, from certain of its existing noteholders. Upon Court approval, the new financing and cash generated from the Company's ongoing operations will be used to support the business during the court-supervised process. The Company has also received a \$200 million equity commitment from certain noteholders that will be funded upon completion of the case and used to pay various costs and reduce debt.

**Item 1.01 Entry into a Material Definitive Agreement**

The information regarding the Restructuring Support Agreement (as defined below) and the Equity Commitment Agreement (as defined below) set forth in Item 1.03 of this Current Report on Form 8-K is incorporated into this Item 1.01 by reference.

**Item 1.03 Bankruptcy or Receivership.**

On April 7, 2020, Quorum Health Corporation ("QHC") and certain of its direct and indirect subsidiaries (collectively, the "Company") filed voluntary petitions (the "Chapter 11 Cases") under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") with the Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") in order to implement the financial restructuring of the Company (the "Restructuring"). The Company has requested that the Bankruptcy Court administer the Chapter 11 Cases jointly under the caption *In re Quorum Health Corporation, et al.*

The Company filed motions with the Bankruptcy Court seeking authorization to continue to operate its businesses as "debtors-in-possession" under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court. To ensure its ability to continue operating in the ordinary course of business, the Company also has filed with the Bankruptcy Court a variety of motions seeking "first day" relief motions, including authority to pay employee wages and benefits and certain vendors and suppliers in the ordinary course of business. The Plan (as defined below) and the "first day" relief anticipate that vendors and other unsecured creditors who continue to work with the Company on existing terms will be paid in full and in the ordinary course of business. The Company expects that the Bankruptcy Court will grant its motions for "first day" relief, and all existing patient, physician, and supplier contracts are expected to remain in place and be serviced in the ordinary course during the pendency of the Chapter 11 Cases.

**Restructuring Support Agreement**

In contemplation of its potential bankruptcy filing and proposed restructuring and recapitalization under Chapter 11 of the Bankruptcy Code, on April 6, 2020, the Company entered into a Restructuring Support Agreement (the "RSA") with (i) lenders who (a) constitute more than a majority in number of the lenders of the outstanding term loans (the "Term Loans") and the outstanding revolving loans (the "Revolving Loans"), together with the Term Loans, the "First Lien Loans") under that certain credit agreement (the "Senior Secured Credit Agreement"), dated as of April 29, 2016, by and among QHC, as borrower, each of the guarantors named therein, the lenders from time to time party thereto and Credit Suisse AG, as administrative agent for the lenders under the Senior Secured Credit Agreement (the "First Lien Agent"), and (b) hold at least two-thirds of the aggregate outstanding principal amount of the First Lien Loans (the "Consenting First Lien Lenders"), and (ii) holders who (x) constitute a majority in number of the holders of \$400,000,000 aggregate outstanding principal amount of 11.625% Senior Notes due 2023 issued by QHC (the "Senior Notes") and (y) hold at least two-thirds of the aggregate outstanding principal amount of the Senior Notes (the "Consenting Noteholders"), and collectively with the Consenting First Lien Lenders, the "Consenting Stakeholders"). As set forth in the RSA, the Company and the Consenting Stakeholders have agreed to the principal terms of a restructuring of the Company.

The RSA sets forth the terms under which the Company and the Consenting Stakeholders agreed to implement the financial restructuring of the Company (the "Restructuring") through the Plan, a copy of which is attached as Exhibit A to the RSA. Although the Company intends to pursue the Restructuring in accordance with the terms set forth in the RSA, there can be no assurance that the Company will be successful in completing the Restructuring in the Chapter 11 Cases, whether on the same or different terms than those provided in the RSA and the Plan.

*Existing Senior Secured Debt*

Under the RSA, the Plan provides for a comprehensive deleveraging of the Company's balance sheet. Specifically, the Plan contemplates that the Company will emerge from the Chapter 11 Cases with a leaner capital structure comprised of (a) a senior secured asset-based revolving credit facility, and (b) a senior secured term loan facility in an aggregate principal amount of \$738.3 million *minus* an aggregate paydown amount of at least \$50 million but no more than \$100 million (the "Exit Facility"), as determined by the holders of at least 50% of the aggregate commitment amounts of all commitment parties party to the Equity Commitment Agreement (the "Required Equity Commitment Parties"). Each lender party to that certain ABL Credit Agreement (the "ABL Credit Agreement"), dated April 29, 2016, among the Company, the lenders party thereto and UBS AG, Stamford Branch, as administrative agent and collateral agent, as amended, which provides for the Company's senior secured asset based revolving credit facility (the "ABL Facility"), will receive indefeasible payment in full in cash of its allowed claims under the ABL Facility. Further, each lender of the outstanding Revolving Loans will receive its pro rata share of: (i) cash in the amount of (A) the aggregate principal amount of the Revolving Loans, multiplied by (B) a ratio equal

to (X) the cash paid to holders of claims arising under the outstanding Term Loans divided by (Y) the aggregate principal amount of the Term Loans; and (ii) the Exit Facility. Each lender of the Term Loans will receive its pro rata share of: (i) \$50 million to \$100 million in cash proceeds, as determined by the Required Equity Commitment Parties pursuant to and in accordance with the Equity Commitment Agreement; and (ii) the Exit Facility.

#### *Existing Senior Notes*

Pursuant to the Plan, the claims of the Senior Notes will be discharged, terminated and released in exchange for 100% of the new common stock of the reorganized QHC (the "Reorganized QHC"), subject to dilution for certain issuances of new common stock, and beneficial interests in the QHC Litigation Trust (as defined below). The Plan requires the Company to establish a litigation trust (the "QHC Litigation Trust") for the benefit of the holders of claims under the Senior Notes. The Company will contribute to the QHC Litigation Trust certain specified causes of action, existing at law or in equity, that the Company has or acquires after the petition date. The QHC Litigation Trust will be governed by the terms of a QHC Litigation Trust Agreement, which the Company and the trustee for the QHC Litigation Trust will enter into by the effective date of the Plan.

#### *General Unsecured Claims*

The terms of the restructuring contemplate that the Company will pay all of the holders of general unsecured claims against the Company in the ordinary course.

#### *Existing Common Stock, Restricted Stock, and Restricted Stock Units*

All outstanding shares of common stock, shares of restricted stock (whether vested or unvested), and restricted stock units (whether vested or unvested) of QHC will be cancelled pursuant to the Plan. Therefore, if the Plan is confirmed by the Bankruptcy Court, the holders of such equity interests will not receive any recovery.

#### *Management Incentive Plan*

The Plan contemplates that the Reorganized QHC will adopt a management incentive plan (the "MIP") on or after the effective date of the Plan. Under the MIP, shares of new common stock (or other equity securities) will be reserved for grant to management, key employees, and directors of Reorganized QHC. The governing body of the Reorganized QHC will determine the terms and conditions of the MIP.

#### *Material Covenants*

The RSA imposes covenants on all of the parties thereto, which include, without limitation, the obligation of each party to use commercially reasonable efforts and to work in good faith to, as soon as reasonably practicable, consummate, the Restructuring, negotiate and complete definitive restructuring documents, obtain entry of an order confirming the Plan, and not take any action that is inconsistent with, or intended to frustrate, the timely approval of the Plan. Furthermore, the Consenting Stakeholders covenant to vote in favor of the Plan and not, directly or indirectly, object to, delay, impede or take any other action designed to interfere with the acceptance, implementation, confirmation, or consummation of the Plan, such as supporting or submitting or soliciting approval of a competing plan of reorganization. The RSA requires the Company to pay the documented fees and expenses of the legal and financial advisors of the Consenting Stakeholders, subject to the approval of the Bankruptcy Court. Moreover, in the RSA, the Company covenants to operate its business in the ordinary course in a manner consistent with past practice in all material respects and notify the Consenting Stakeholders of any breach of the RSA within three business days of obtaining actual knowledge thereof.

#### *Milestones*

The RSA requires the Company to meet certain milestones, unless extended or waived in writing by the Company, on the one hand, and at least 50.01% of the Consenting First Lien Lenders and at least 50.01% of the Consenting Noteholders, on the other hand. The Consenting Stakeholders are permitted to terminate the RSA and revoke their support of the Plan in the event the Company fails to achieve one of the milestones. The milestones include, among others: (i) no later than April 6, 2020, the Company must commence the solicitation of votes for the acceptance or rejection of the Plan (the "Solicitation"); (ii) no later than April 7, 2020, the Company must commence the Chapter 11 Cases; (iii) on the date the Company files the bankruptcy petitions with the Bankruptcy Court, the Company also must file with the Bankruptcy Court (a) the Plan; (b) the Disclosure Statement (as defined below); and (c) a motion to obtain postpetition "debtor-in-possession" financing; and (iv) the Plan must be effective no later than seventy-five calendar days after the petition date, *provided* that if any required regulatory approval has not been obtained prior to the 75th calendar date, the effective date milestone will automatically be extended to ninety-five calendar days after the petition date.

*Termination Events*

The RSA also contains certain termination provisions. The Consenting Noteholders who collectively hold at least 50.01% of the aggregate outstanding principal amount of the Senior Notes (the "Required Consenting Noteholders") or the Consenting First Lien Lenders who collectively hold at least 50.01% of the First Lien Loans (the "Required Consenting First Lien Lenders") have the right to terminate the RSA in the following circumstances:

- with respect to the Required Consenting Noteholders only, the Company amends or modifies, or seeks the Bankruptcy Court's approval of a material amendment or modification to, the definitive restructuring documents;

- the Company files a motion or pleading with the Bankruptcy Court seeking authority to terminate the RSA or provides notice to counsel to the Consenting Stakeholders of its intent to enter into or otherwise publicly announce its entry into or intent to pursue an alternative transaction.

Additionally, the Company has the right to terminate the RSA if the following events occur: (i) the board of directors of the Company determines, in good faith after consulting with counsel, that the restructuring contemplated by the Plan would breach the board's fiduciary obligations; (ii) breach by one or more of the Consenting Noteholders of its obligations under the RSA such that the non-breaching Consenting Noteholders no longer meet the thresholds required for the RSA to be effective and such breach is not cured within ten days after written notice is provided to the Company; (iii) breach by one or more of the Consenting First Lien Lenders of its obligations under the RSA such that the non-breaching Consenting First Lien Lenders no longer meet the thresholds required for the RSA to be effective and such breach is not cured within ten days after written notice is provided to the Company; (iv) the Equity Commitment Agreement has been validly terminated by a party thereto other than the Company; or (v) the (x) Consenting Noteholders no longer collectively constitute more than 50% in number of the holders of the Senior Notes or no longer hold at least two-thirds of the aggregate outstanding principal amount of the Senior Notes or (y) Consenting First Lien Lenders no longer collectively constitute more than 50% in number of the lenders under the Term Loan Facility and Revolving Credit Facility or no longer hold at least two-thirds of the aggregate outstanding principal amount of the First Lien Loans.

#### *Debtor-in-Possession Financing*

In connection with the Chapter 11 Cases, certain Consenting Stakeholders or their affiliates (the "DIP Lenders") have agreed to provide debtor-in-possession financing to QHC on the terms set forth in the term sheet (the "DIP Term Sheet") attached as Exhibit C to the RSA. The DIP Term Sheet contemplates that the DIP Lenders will make available to QHC loans in the aggregate principal amount of up to \$100 million (the "DIP Facility"). The closing and initial funding of the DIP Facility will occur after the Bankruptcy Court enters an interim order approving debtor-in-possession financing. QHC will only be permitted to draw a maximum principal amount of \$30 million under the DIP Facility until the Bankruptcy Court enters a final order approving the debtor-in-possession financing. After the Bankruptcy Court enters the final order approving the debtor-in-possession financing, QHC may draw the remaining portion of the loan commitments not available or drawn in connection with the interim order.

On April 7, 2020, the Company filed motions seeking the entry of interim and final orders approving the DIP Facility on terms and conditions set forth in the DIP Term Sheet. The Company must obtain the Bankruptcy Court's approval of the interim order no later than three business days after the petition date and the final order no later than thirty-five calendar days after the petition date. The DIP Facility, if approved by the Bankruptcy Court as proposed, will contain the following terms:

- GLAS USA, LLC will serve as the administrative agent for the DIP Facility, and GLAS Americas, LLC will act as a collateral agent for the DIP Facility.
- The Company anticipates using the cash from the DIP Facility to fund its operating expenses, certain professional fees, and bankruptcy-related costs and expenses (including restructuring fees and adequate protection payments) during the Chapter 11 Cases. However, the Company may only use the cash borrowed under the DIP Facility in accordance with the budget approved by the DIP Lenders.
- The current guarantors of the Term Loan Facility and Revolving Credit Facility will guarantee the obligations of QHC under the DIP Facility.

- Subject to a specified carve-out amount for certain administrative, legal, and court fees payable in connection with the Chapter 11 Cases, the claims arising under the DIP Facility will (i) be entitled to joint and several superpriority claim status in the Chapter 11 Cases, and (ii) be secured by a perfected first priority lien on (x) the amounts deposited in a segregated deposit account for advances under the DIP Facility and (y) avoidance actions and the proceeds thereof. The claims arising under the DIP Facility also will be secured by a perfected junior lien on all of the assets encumbered by the Term Loan Facility and Revolving Credit Facility.
- The loans advanced under the DIP Facility will bear interest at a rate per annum equal to the adjusted LIBO rate used for the Term Loan Facility and Revolving Credit Facility, plus 10.00%. Upon the occurrence of an event of default, the DIP Lenders are permitted to charge a default rate of interest equal to 2.00% above the rate otherwise applicable to the loans outstanding under the DIP Facility. Interest is due monthly, in arrears, on the first day of each month, upon any prepayment, and at the final maturity date.
- The DIP Facility will be subject to certain affirmative and negative covenants, including, among other covenants customary in debtor-in-possession financings, reporting by the Company in the form of a budget, together with a reasonably detailed written explanation of all material variances from the budget.
- The DIP Facility will contain certain events of default customary in debtor-in-possession financings, including, without limit, the conversion of the Chapter 11 Cases to a Chapter 7 case or the appointment of a trustee, examiner or receiver in the Chapter 11 Cases.
- The DIP Facility will mature upon the earlier to occur of (i) six months from the closing date of the DIP Facility, (ii) the acceleration of the loans and commitments outstanding under the DIP Facility, and (iii) the effective date of the Plan.
- On the maturity date of the DIP Facility, if the Plan has been confirmed by the Bankruptcy Court, all amounts outstanding under the DIP Facility will convert into shares of new common stock of the Reorganized QHC. However, if the Plan has not been confirmed as of the maturity date of the DIP Facility, then QHC must pay all of the outstanding amounts under the DIP Facility in cash, unless the maturity date is extended by the DIP Lenders.

The foregoing summary of the RSA, the Plan, and the DIP Facility and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the full text of the RSA and the exhibits and schedules annexed thereto, copies of which are filed as Exhibit 10.1 to this Current Report on Form 8-K and are incorporated by reference into this Item 1.03.

Additionally, the Reorganized QHC will issue to the Equity Commitment Parties shares of new common stock in an amount equal to 7.5% of the Equity Commitment Aggregate Amount, issued at an equity commitment premium price per share equal to \$10.00 (the "Equity Commitment Premium"). The Equity Commitment Premium is payable to the Equity Commitment Parties in cash under certain circumstances. Moreover, the closing of the New Common Equity Raise is subject to the satisfaction of certain conditions precedent, including, among others, the RSA has not been terminated, the Plan is confirmed and declared effective by the Bankruptcy Court, all other government approvals (including anti-trust approval, if applicable) have been obtained by the Company, the Company reimburses the Equity Commitment Parties for their documented fees and expenses incurred in connection with the New Common Equity Raise, and no event has occurred that has or would reasonably be expected to have a material adverse effect on the Company.

The above charity care information is from the 2016, 2017 and 2018 Hospital Profiles and ASTC Profiles for each facility. The individual hospital charity care is not separately audited. Quorum Health Corporation's Form 10-K filed with the U.S. Securities and Exchange Commission for the year ended December 31, 2018 contains the following statement on charity care:

### ***Charity Care***

*In the ordinary course of business, the Company provides services to patients who are financially unable to pay for hospital care. The related charges for those patients who are financially unable to pay that otherwise do not qualify for reimbursement from a governmental program are classified as charity care. The Company determines amounts that qualify for charity care primarily based on the patient's household income relative to the poverty level guidelines established by the federal government. The Company's policy is to not pursue collections for such amounts; therefore, the related charges are recorded in operating revenues at the standard billing rates and fully offset in contractual allowances. The Company's gross amounts of charity care revenues were \$33.0 million, \$34.0 million and \$34.6 million for the years ended December 31, 2018, 2017 and 2016, respectively.*

*The Company estimates the cost of providing charity care services utilizing a ratio of cost to gross charges and applying this ratio to the gross charges associated with providing care to charity patients for the period. The estimated costs of providing charity care services was \$5.5 million, \$5.6 million and \$5.7 million for the years ended December 31, 2018, 2017 and 2016, respectively. To the extent the Company receives reimbursement from any of the various governmental assistance programs to subsidize its care of indigent patients, the Company excludes the charges for such patients from the cost of care provided under its charity care program.*
