Re: Swedish Hospital LTC Category of Service Discontinuation (E-44-20) Project Completion

Dear Mike:

Polsinelli represents Swedish Hospital. As the Health Facilities & Services Review Board is aware, on August 22, 2020, Swedish Covenant Health d/b/a Swedish Hospital, 5145 N. California Avenue, Chicago, Illinois ("Swedish Hospital") provided public notice that permanent closure of its long term care ("LTC") category of service was necessary. On October 13, 2020, the Chairman of the Illinois Health Facilities and Services Review Board acting on behalf of the State Board under 77 ILAC 1130 (Part 1130) approved the discontinuation of this 18-bed LTC category of service at Swedish Hospital. This is confirmation that the project was completed on October 13, 2020 and LTC operations have permanently ceased.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Kara Friedman".
