Good morning, Debi:

Attached is the State Board Staff Report for # 21-006 Sunshine Gardens Nursing & Rehab. Sunshine Gardens is an existing Senior living community, offering independent and assisted living arrangements. The applicants are proposing to add a 10-bed skilled nursing unit with admissions restricted to their existing residents under the Continuum of Care Retirement Community (CCRC) variance. There are no negative findings which makes it eligible for review and ruling by the Chairwoman. Please take a look at this when you get a chance, and let us know if you have any questions. Thank you for your service.
