To whom it may concern:

I would like to lend my support to Centre for Gastrointestinal Health and O'Fallon Surgical Center for their effort to add orthopedic surgery care to their surgery center. As a patient of the center, I have experienced outstanding patient care.

Orthopedic patients are a special care population and the availability of surgical care at the surgery center to them would be a great boost to their care.

Good luck to O'Fallon Surgical Center

Yours truly,

A handwritten signature in black ink that reads "Christine Grisham". The signature is written in a cursive style with a large, prominent initial "C".
