Dear Mr. Doherty:

On February 8, 2024, the Chairwoman of the Illinois Health Facilities and Services Review Board (State Board) acting on behalf of the State Board approved an alteration to the above-mentioned modernization/expansion project at AMITA Alexian Brothers Medical Center, Elk Grove Village. The alteration approved the following:

1. A decrease in the overall number of PACU I Recovery Stations, from 24 to 17, amounting to a 7 unit reduction, with no change in project size or cost

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

Debra Savage, Chairwoman
