**RE: Permit Renewal for Project # 21-029, Quincy Medical Group Birth Center, Quincy
Permit Holder: Quincy Physicians and Surgeons, PLLC d/b/a Quincy Medical Group**

Dear Ms. Brockmiller:

On August 8, 2024, the Illinois Health Facilities and Services Review Board (HFSRB) approved the permit holder's request for a permit renewal for the above-referenced project. This letter confirms the approval and issuance of a renewal to the above-referenced permitted project. Therefore, the permit for this project has been renewed through June 30, 2025.

If the permit holder determines that they will be unable to complete the project on or before June 30, 2025, the permit holder may request another renewal of the permit. Pursuant to 77 Ill. Admin. Code 1130.740, request for permit renewals must be requested before the project completion date and must be received by HFSRB **AT LEAST 45 DAYS PRIOR TO THE EXPIRATION DATE OF THE PERMIT**.

Projects that are not completed within the time frame allowed under a valid permit shall expire and become invalid unless renewed by HFSRB, pursuant to a request submitted in accordance with Ill. Admin. Code 1130.740.

The permit holder is solely responsible for maintaining a valid permit and must comply with all post-permit requirements contained in the relevant parts of Title 77 of the Illinois Administrative Code, including without limitation, Subpart G of Part 1130. Failure to maintain a valid permit or comply with applicable laws or administrative rules may result in noncompliance and the assessment of fines under 77 Ill. Admin. Code 1130.790.

Should you have any questions, contact HFSRB staff at (217) 782-3516 or via email at DPH.HFSRB@illinois.gov.

Sincerely,

Debra Savage

Chairwoman

Illinois Health Facilities and Services Review Board
