Mike-

The members of Massac Memorial. LLC are: Lennis Thompson, Lynn Goines, Joe Elliott and Carole Willis.

Dr. Verbist is currently in the process of securing his Illinois license. Once his license is processed and approved, he will apply for privileges at the ASTC. All surgeons having privileges at the ASTC have privileges at Massac Memorial Hospital.

As noted in the application, Dr. Verbist has recently relocated from Missouri, and does not have access to his historical payor mix information. However, he estimates it to be approximately:

- 38% private insurance
- 18% worker's comp
- 16% Medicaid
- 14% Medicare
- 14% other

The majority of his practice at MCSC will be cosmetic and hand surgery, and his payor mix is anticipated to be very similar to that currently experienced at the ASTC:

- 65% private insurance & worker's comp
- 26% Medicare
- 8% Medicaid
- 1% other

The patient origin data provided on pages 47-48 of the application present data on patients operated on by Dr. Verbist following his relocation from Missouri to Paducah, Kentucky in 2021. The 2019-2020 historical caseload data presented on page 46 is based on cases performed in Missouri, prior to his relocation to Kentucky. Patient origin data for his Missouri cases is no longer available to him.
