Hello –

My name is Anna Belle O'Shea. I am a parishioner at St. James Hospital, just a few blocks from Mercy Hospital.

I ask the Review Board to either delay its decision on the exemption application, or deny the application pending future consideration. I support the Chicago Health Equity Coalition's position that all potential buyers must have the opportunity to submit a proposal, and for all proposals to be considered in a fair and transparent process.

Additional talking points:

- Mercy must be preserved as a full-service public safety-net hospital with a comprehensive Emergency Department, OBGYN, including care for high-risk pregnancies, behavioral health and a primary stroke and cardiac center.
- I support the sale of Mercy to any responsible and invested entity committed to transparency to the community, significant community representation on the board, and preservation of the full extent of Mercy Hospital's mission of health care and education.
- Prior to a sale, I request a clear public plan to restore Mercy to a fully operational teaching hospital.

Thank you.

Sincerely,  
Anna Belle O'Shea
