CRAIG WILCOX
STATE SENATOR • 32ND DISTRICT

October 5, 2021

Dear HFSRB,

On behalf of my constituents of the 32nd Senate District of Illinois, I hereby request a public hearing regarding Notice of Review E-044-21 Northwestern Medicine McHenry Hospital, McHenry, be scheduled as per HFSRB rules of proceedings for a public hearing. I am sure Northwestern will lay out their sound business reasons for such a change, but I feel it imperative a public hearing allows for the constituents of my district to express their concerns over becoming an entire Senate District without a birthing OB unit within its boundaries. The increased travel time to the alternative units could put expectant mothers and their unborn, and pregnant mothers who experience traumatic issues, at dire health risks and I believe they should have the opportunity to publicly discuss their concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Wilcox".

Craig Wilcox
State Senator 32nd District
