In accordance with the Planning Act, the permitis valid until such time as the project has been completed, provided that all post permit requirements have been fulfilled, pursuant to the requirements of 77 Illinois Administrative Code 1130 and may result in an invalidation of the permit, sanctions, fines and/or State Board action to revoke the permit.

The permit holder is responsible for complying with the following requirements in order to maintain avalid permit. Failure to comply with the requirements may result in expiration of the permit or in State Board action to revoke the permit.

An annual progress report must be submitted to HFSRB every 12th month from the permit issuance date until such time as the project is completed.
