RE: Advocate Illinois Masonic Medical Center, Project No. 22-009 - Letter of Support

Ms. Savage:

Thank you for the Illinois Health Facilities and Services Review Board's review of Project No. 22-009 concerning Advocate Illinois Masonic Medical Center's proposed modernization project. I write to you in support of this effort, which represents a huge investment in a hospital that is the principal health care provider for Chicago's North Side.

It is great to see continued modernization of AIMCC, which began serving this community less than 30 years after the Great Chicago Fire, and still continues to serve every patient that comes through its doors as one of the top hospitals serving Medicaid patients in the state. With medical advancements dictating new technology and space requirements to deliver the highest quality care, along with changing consumer demands, these AIMCC renovations are a next step in ensuring we can deliver the highest quality care in our community.

Please approve this CON application.

Sincerely,

A handwritten signature in black ink that reads "Ann M. Williams".
