Re: #22-015 - Alteration to Permit

Dear Mr. Morado:

We are writing in response to your request for an Alteration to Permit #22-015 Rush Copley Medical Center Critical Decision Unit. As stated in rule permit holders shall report all alterations to the State Board before executing the alteration. Some proposed alterations require State Board approval, and some are prohibited. Proposed alterations that do not require State Board Approval require only written notification to the State Board prior to execution.

You have stated in your correspondence the proposed X-Ray Equipment and lighting upgrades at a cost of \$330,000 will not increase the overall cost of the project. Based upon the information provided in your request the proposed alteration has been properly reported prior to execution of the alteration. No further action is required in relationship to this Alteration to Permit #22-015.

Should you have any questions or concerns please call 217.782.3516 or email mike.constantino@illinois.gov

Sincerely,

John P. Kniery
