Re: Project No. 22-017 – Letter of Support
Child and Adolescent Behavioral Health Campus

Dear Chairwoman Savage and Members:

This letter is submitted in support of the proposed child and adolescent behavioral health campus in Peoria.

I am currently a Registered Nurse on the Child and Adolescent Behavioral Health Unit at Methodist Hospital. I am looking forward to having access to a new facility because it will open up many doors for many people. We will be able to open new treatment modalities for patients that need a variety of different treatment types. More space (including an outdoor area) would allow patients to be more active than a typical hospital setting. We would be able to facilitate care for more patients than we have the capacity to do now.

Please approve this project.

Sincerely,

A handwritten signature in black ink that reads "Jacob Renfro RN". The signature is written in a cursive style with a large initial "J" and "R".

Jacob Renfro, RN BS BSN
