Dear Mr. Anderson:

On November 28, 2023, the Chairwoman of the Illinois Health Facilities and Services Review Board (State Board) acting on behalf of the State Board approved an alteration to the above-mentioned project to establish a 44-bed child and adolescent Behavioral Health Hospital in West Peoria. The alteration approved the following:

1. An increase in the overall permit amount, from \$29,327,856 to \$30,470,683, an increase of \$1,142,827 (3.9%).
2. An increase in the overall spatial configuration of the project, from 149,875 GSF, to 151,074 GSF, an increase of 1,199 GSF (.8% non-clinical).

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.
