RE: **Permit Renewal:** Project # 22-022, Silver Cross Orland Park Medical Office Building, Orland Park
Permit Holder: Silver Cross Health System, Silver Cross Hospital and Medical Centers

Dear Mr. Green:

On March 6, 2024, the Chairwoman of the Illinois Health Facilities and Services Review Board approved the permit holder's request for a permit renewal for the above-referenced project. Therefore, the permit for this project has been renewed until July 31, 2024.

Should the permit holder determine that it will be unable to complete the project by July 31, 2024, the permit holder may request another renewal of the permit. 77 IAC 1130.740 provides that the State Agency must be in receipt of a permit renewal request AT LEAST 45 DAYS PRIOR TO THE EXPIRATION DATE OF THE REQUIRED COMPLETION PERIOD.

The permit holder is reminded that permits for projects which are not completed within the required time frame shall expire for lack of due diligence, unless renewed by the State Board. The permit holder is also reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

Should you have any questions, please contact Mike Constantino or George Roate at (217) 782-3516 and ask to speak to a staff person about post permit requirements.

Sincerely,

Debra Savage
Chairwoman
Illinois Health Facilities and Services Review Board
