Re: Project 22-033

Dear Mr. Kneiry,

I proud to alert you of my support for AdventHealth Great Lakes Region Hinsdale Hospital's application to update their Neonatal Intensive Care Unit (NICU).

For many years, Hinsdale Hospital has served the community with high quality care regardless of the patient's insurance status. The proposed upgrades will provide all newborns with the highest quality care close to their homes.

It's very important to me that my constituents have access to this modernized care within their community.

Please reach out to my office if you have any concerns.

Sincerely,
