Dear Health Facilities and Services Review Board:

I am writing to advise of my support for AdventHealth Great Lakes Region Hinsdale Hospital's intention to refurbish and update its Neonatal Intensive Care Unit (NICU). Hinsdale Hospital receives many mothers who are experiencing high risk pregnancies.

Hinsdale Hospital serves a broad population from Chicago's Western Suburbs including the un and underinsured. The upgrades promise to provide all newborns with the highest level of care as is necessary close to their home.

I am happy to know that the constituents I serve will have full access to these services in their preferred location.

Best regards,
