Hi George,

I approve this permit renewal for Surgery Center of Illinois based on the State Board Staff report and applicant letter and hope the Village of Oak Lawn approves the zoning change without much more delays!
Thank you!

Good morning, Debi

Attached is the request and State Board Staff Report (SBSR) pertaining to a permit renewal request for the following:

1. #22-045 Surgery Center of Illinois. In March 2023, The permit holder was approved to establish a multi-specialty ASTC in Oak Lawn, with a project completion date of 7/1/24. The permit holder is requesting that an additional 18 months be added to the project timeline (7/1/24 – 12/31/25), to account for delays encountered while having the property rezoned for medical purposes. The project has achieved financial commitment, and there were no negative findings.

Debi, as time permits, please take a look at this permit renewal report and give us your ruling/disposition of this renewal request. If you have any questions please feel free to ask. Thank you for your service.
