Ms. Debra Savage
Chairwoman
Illinois Health Facilities and Services Review Board
525 West Jefferson St
Springfield, Illinois 62761

RE: Peoria Day Surgery Center, LTD
COE/CHOW Permit Application # E-001-22
Springfield Clinic, LLP

Dear Ms. Savage,

I formally request a Public Hearing be scheduled regarding the above referenced COE/CHOW permit application.

I understand the COE/CHOW exemption request cannot be denied by the Review Board. However, in the best interest of providing quality and safe healthcare to Peoria and residents of the region, I believe a Public Hearing on this Permit Application can best identify local circumstances, not delineated in the Applicants submission, for which the Review Board might consider seeking additional input, before their approval.

Please let me know if you have any questions. I can be reached at tfeldman@cfhasc.com or 309.683.5480.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas Feldman".
