WEISS MEMORIAL HOSPITAL/WEST SUBURBAN HOSPITAL

Today we saw new news.

<https://www.prnewswire.com/news-releases/ramco-healthcare-holdings-announces-major-acquisition-proposed-transaction-for-two-chicago-hospital-properties-301506691.html>

Ramoco Healthcare Holdings LLC is going to buy the two hospitals and will lease to Reselience / AUM etc.,

Ramoco Healthcare Holdings LLC is going to have partnership in Operations and still majority owner is Mr.Manoj K Prasad. We have doubts on Financial capacity of Mr.Manoj. If Ramoco Healthcare Holdings LLC give 5-10 years commitment that they will stay in operation and hold the properties may be it is fine. If there is no commitment from Ramoco Healthcare Holdings it will be a big question mark for future of these two hospitals.

Kindly scrutinize the COE applications and we request you to take proper long term commitments from involved parties to secure the future of these great establishments. We have lot of memories and history for these two establishments.
