To: Illinois Health Facilities and Services Review Board

It is with great pleasure that I serve as chairman of the Governing Board of Weiss Memorial Hospital .

Our hospital has a 69-year history of quality care and compassionate service to our community.

More recently the COVID-19 pandemic presented significant challenges to our hospital and our Chicago community, I am proud that Weiss Memorial Hospital not only remained open to care for patients, but also made significant progress in important revitalization programs to enhance patient care going forward.

In addition to the investments in revitalization, we also are working to create meaningful events and opportunities for engagement with community members.

I am encouraged by the vision offered by Dr. Manoj Prasad and Resilience Health. So on behalf of the more than 650 employees and the Board of Governors, I wholeheartedly endorse their proposal to purchase Weiss Memorial Hospital.

Michael Rosenberg

Weiss Memorial Hospital Governing Board
