**Re: Exemption Approval Letter
Exemption #E-038-22 – Touchette Regional Hospital**

Dear Mr. McCulley:

On July 25, 2022, the Chairwoman of the Illinois Health Facilities and Services Review Board ("State Board") acting on behalf of the State Board approved the exemption application for the discontinuation of the 27-bed obstetric category of service at Touchette Regional Hospital, Inc., 5900 Bond Avenue, Centreville, Illinois. The licensee is Touchette Regional Hospital, Inc., and the owner of the site is Touchette Regional Hospital, Inc. As a result of this approval Touchette Regional Hospital, Inc. has 66 medical surgical beds, 8 intensive care beds and 36 acute mental illness beds for a total of 110 authorized beds.

You are reminded the issuance of the certificate of exemption is contingent upon the applicant submitting a statement to the Board within 90 days of completion of the discontinuation notifying the State Board that the discontinuation has been completed in accordance with the language contained in the exemption application. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable to this transaction.

Should you have any questions or concerns, please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516

Sincerely,

A handwritten signature in blue ink that reads "Debra Savage".
