RE: Change of Ownership Exemption, Health Facilities Planning Act--Part 1130 Exemption.
Exemption #E-045-22 – Advocate Christ Hospital and Medical Center
Exemption Holder: Advocate Health and Hospitals Corporation d/b/a Advocate Christ Hospital and Medical Center, Advocate Aurora Health Inc., Advocate Health, Inc., Atrium Health, Inc.
Owner of Physical Plant: Advocate Health and Hospitals Corporation
Entity to be Licensed: Advocate Health and Hospitals Corporation d/b/a Advocate Christ Hospital and Medical Center

Dear Mr. Kerns and Ms. Friedman:

On November 14, 2022, the Illinois Health Facilities Planning Board (State Board) approved your request for a change of ownership exemption. The approval was based upon the application's compliance with applicable provisions of 77 IAC 1130. The exemption is for Advocate Christ Hospital and Medical Center, 4440 W. 95th Street, Oak Lawn, Illinois. The entity to be licensed is Advocate Health and Hospitals Corporation d/b/a Advocate Christ Hospital and Medical Center. The exemption involves a change of 50% or more of the voting members of a not-for-profit corporation's board of directors that controls a health care facility's operations, license, certification or physical plant and assets. The fair market value of the facility is approximately \$515,931,610. The Hospital has been approved for 39 acute mental illness beds, 170 intensive care beds, 394 medical surgical beds, 61 neonatal beds, 56 obstetric, 45 pediatric beds and 37 comprehensive physical rehabilitation beds for a total of 802 authorized beds.

You are reminded that this exemption for a change of ownership of a health care facility shall be invalid if the exemption holder fails to submit a statement to the Board within 90 days after the closing date of the transaction, or such longer period as provided by the Board, certifying that the change of ownership has been completed in accordance with the key terms contained in the application. If such key terms of the transaction change, a new application is required. [20 ILCS 3960/8.5(a)] Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act. The exemption holder is also reminded that 77 IAC 1130.140 defines transactions that constitute a change of ownership of a health care facility. You should become familiar with those definitions.

The State Board's approval does not exempt the transaction from any other regulatory, certification or

licensure requirements that may be applicable prior to acquisition. The exemption will be invalid should the facility for which the change of ownership was granted cease to be an existing health care facility as defined in 77 IAC 1130.140.

Sincerely,
